SOMEWHERE ELSE
LIMIT EVERYTHING TO THE ESSENTIAL
BUT DO NOT REMOVE THE POETRY.

TERROR TALE
What a winning
combination
The twilight zone
Think of it as a rabbithole
Lured to his doom by
Creatures from dreams
Wonderful-strange
The greatest Terror tale
Ever told

LOST POEM
Disappeared
Crashed glitched
Shit got weird
Too late, we're fucked
It's in the Core system
Already
It is the future
Already
And the mountains echoed
cyberspace supernova

BLACK MASS
Everything comes to you in the right moment.
Be patient.
Putting things into perspective.
Facing it, always facing it,
that's the way to get through.
Face it.
You can tell how dangerous a
person is by the way they
hold their anger
inside themselves
quietly.

TIME-MIND SYNC-WARP!
CyberSpace SuperNova
Machine Screw.
is my code just taking long or
stuck in an infinite loop?
Hitting every note as if
it were the last one.

DEVIL EYE SHOE GAZER
SLOW DOWN TURBO
ARE YOU LIVING IN THE REAL WORLD?
LIGHTSABRE HYPERREALISM
Loud nasty Skull ratling
SHIT LIKE
Riders out of space

HOW MANY SECRETS
CAN YOU KEEP
Don't be like the rest of them,
Darling
Remember that under the skin
you fondle lie the bones,
waiting to reveal themselves
You're too rash and too extra
about everything
we are just one pay-check away
Don't be like the rest of them,
Darling

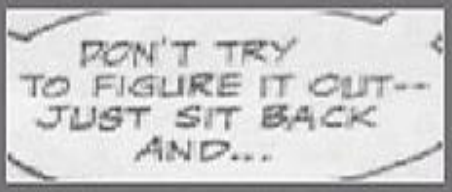

I will ignore the obvious.

I wish to live a life that causes my soul to dance inside my body.

It's all about falling in love with yourself

Free Your Mind

Why does it feel so impossible
to let you go?

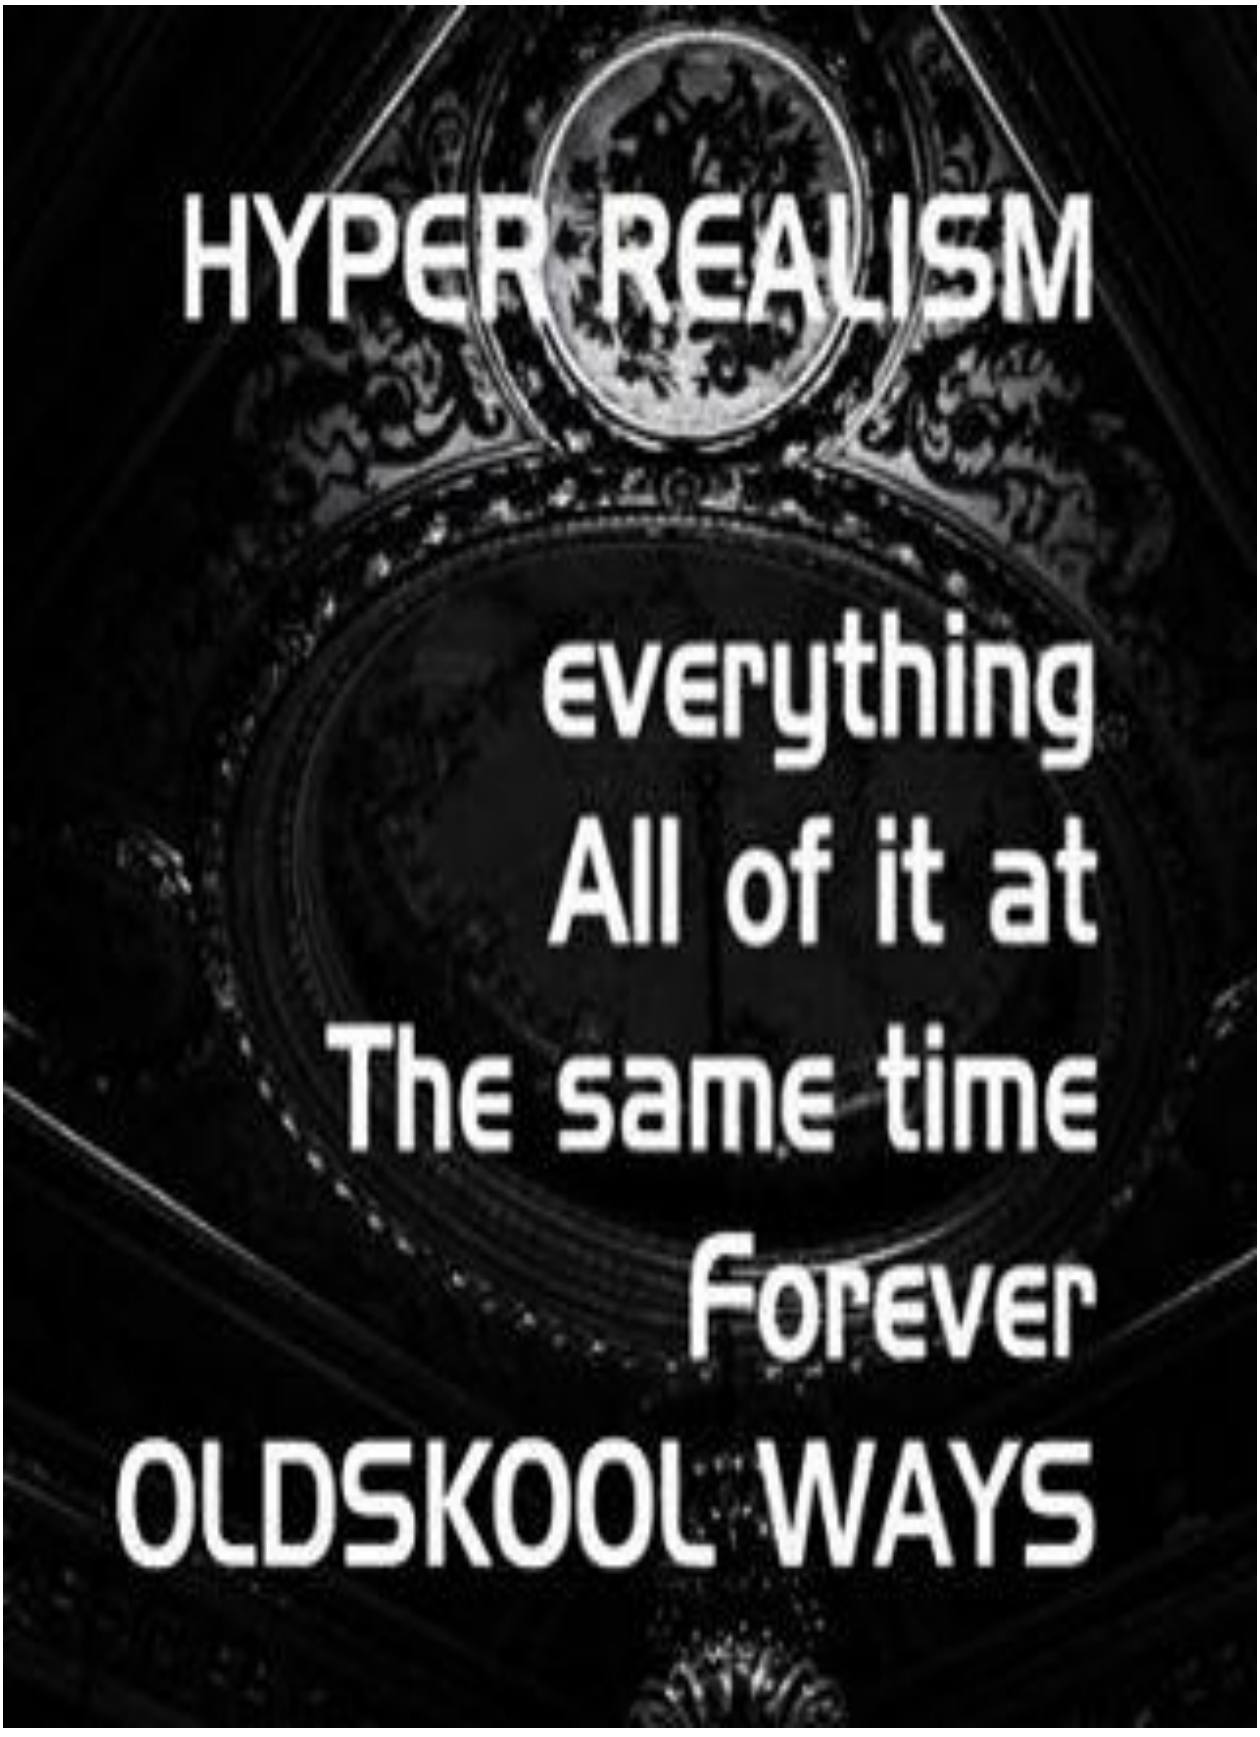

It's an addiction, you know?
That's all it is.

You made me happy once

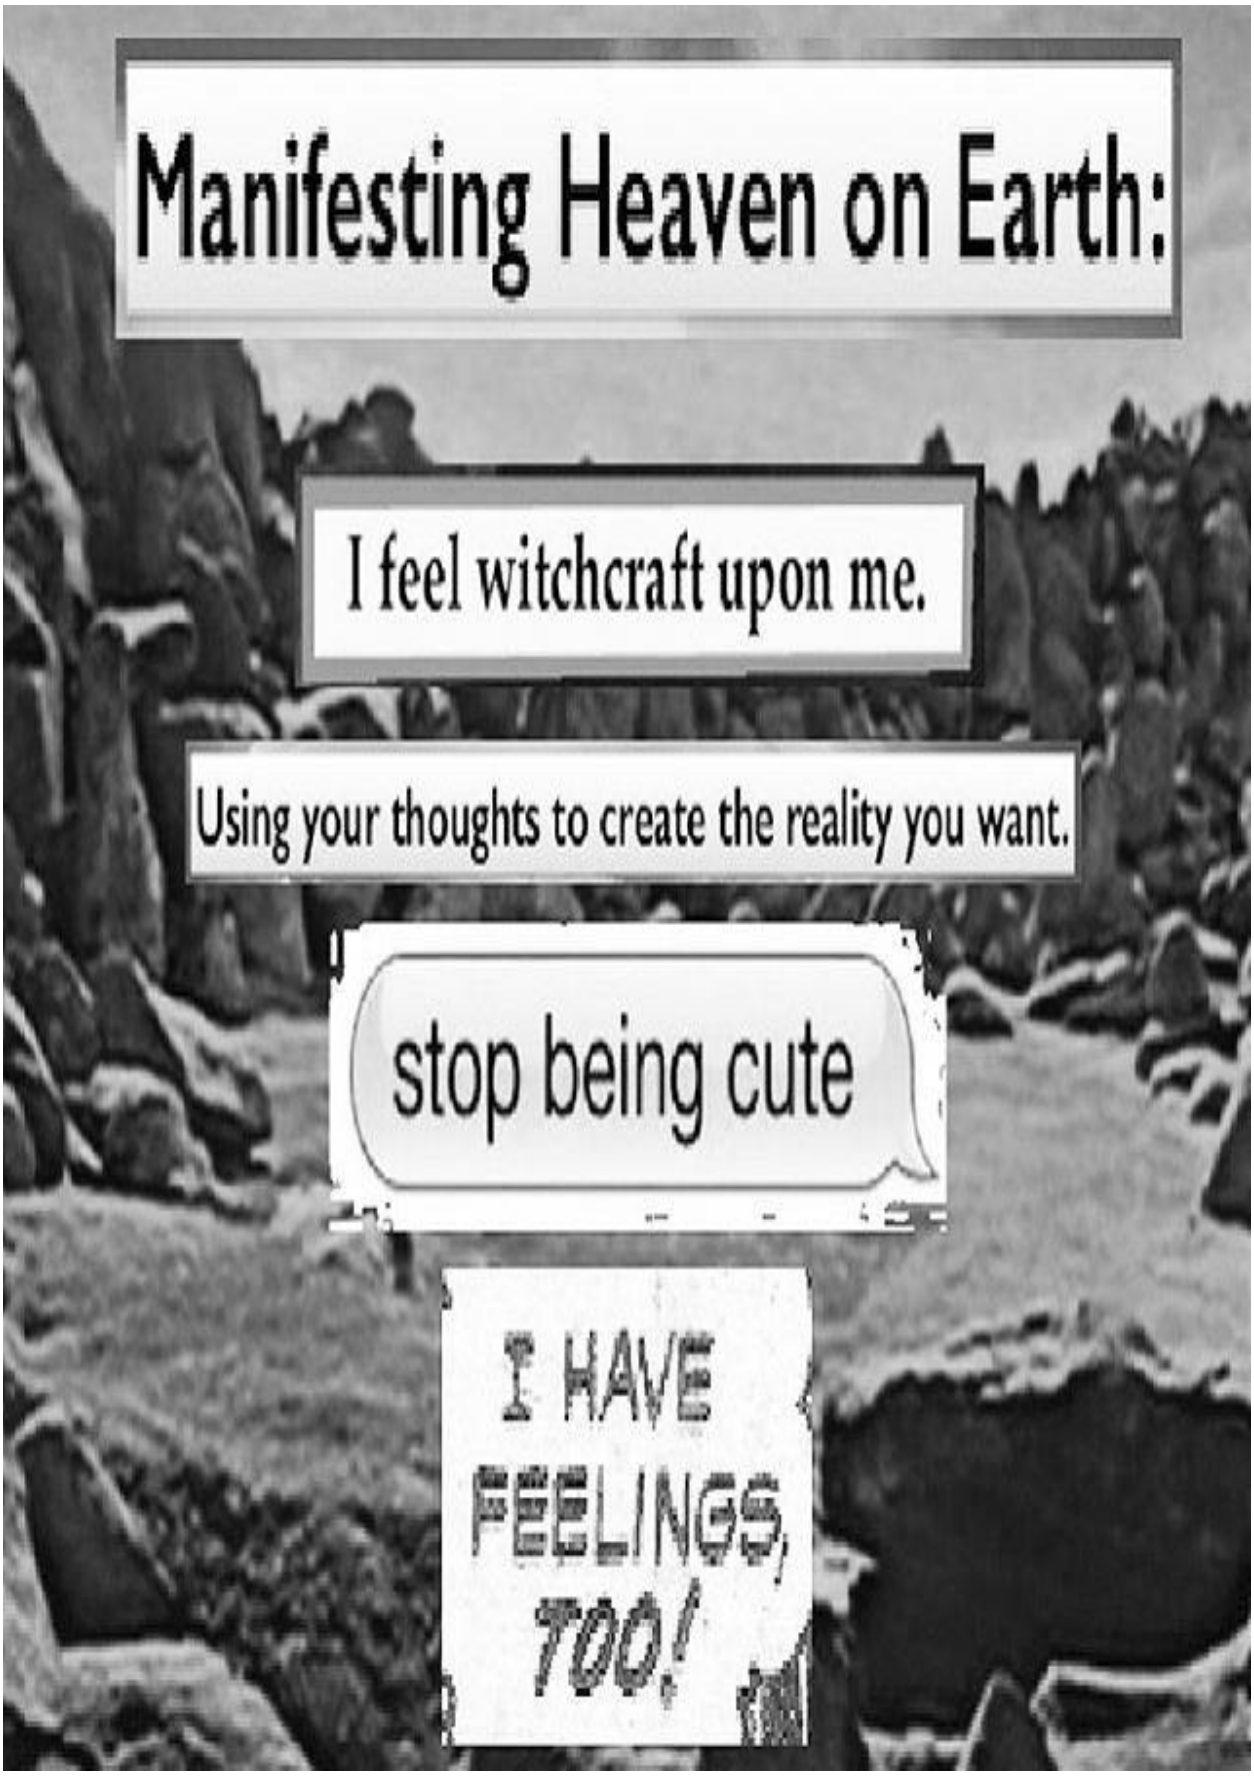

and it fucked me up for life.

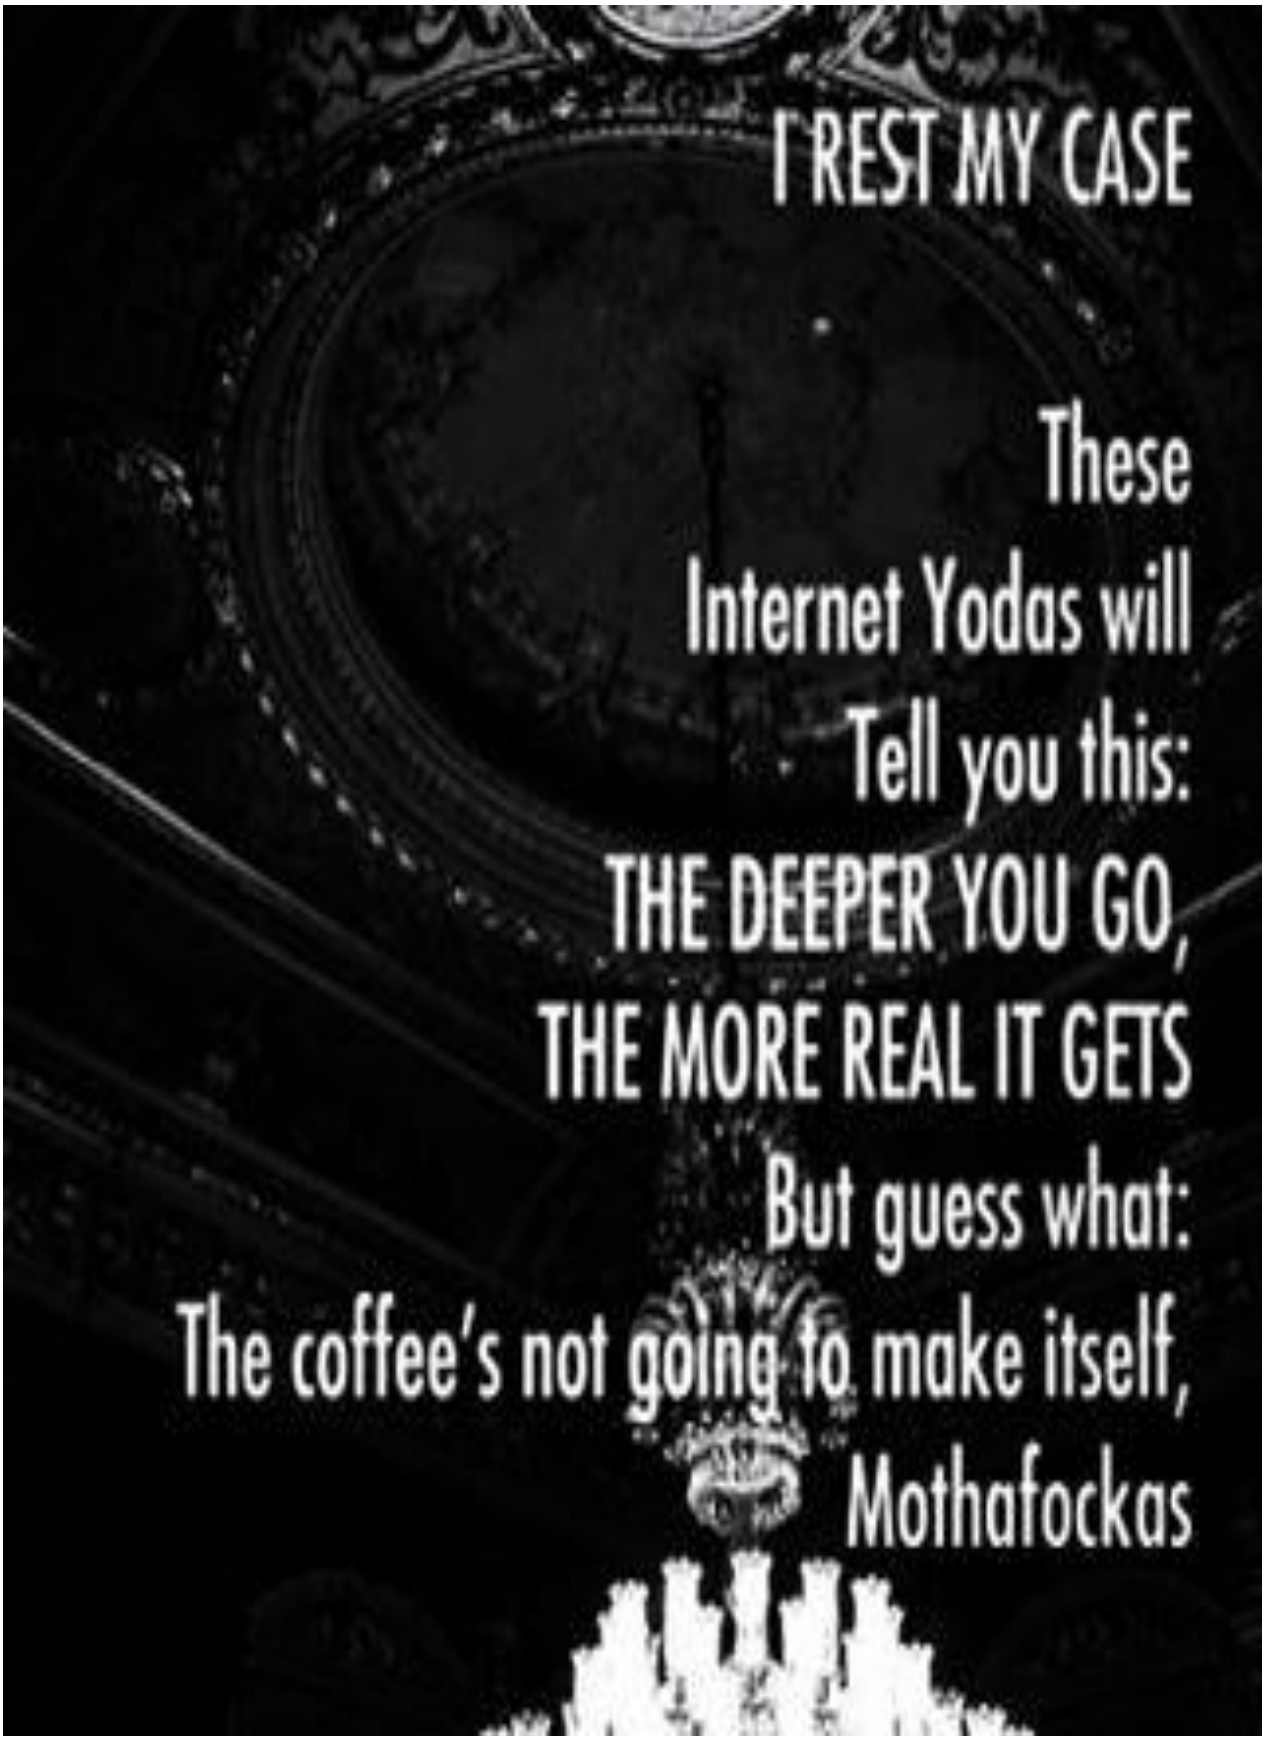

I WANT YOU
TO KNOW THAT
I'M ALL YOURS

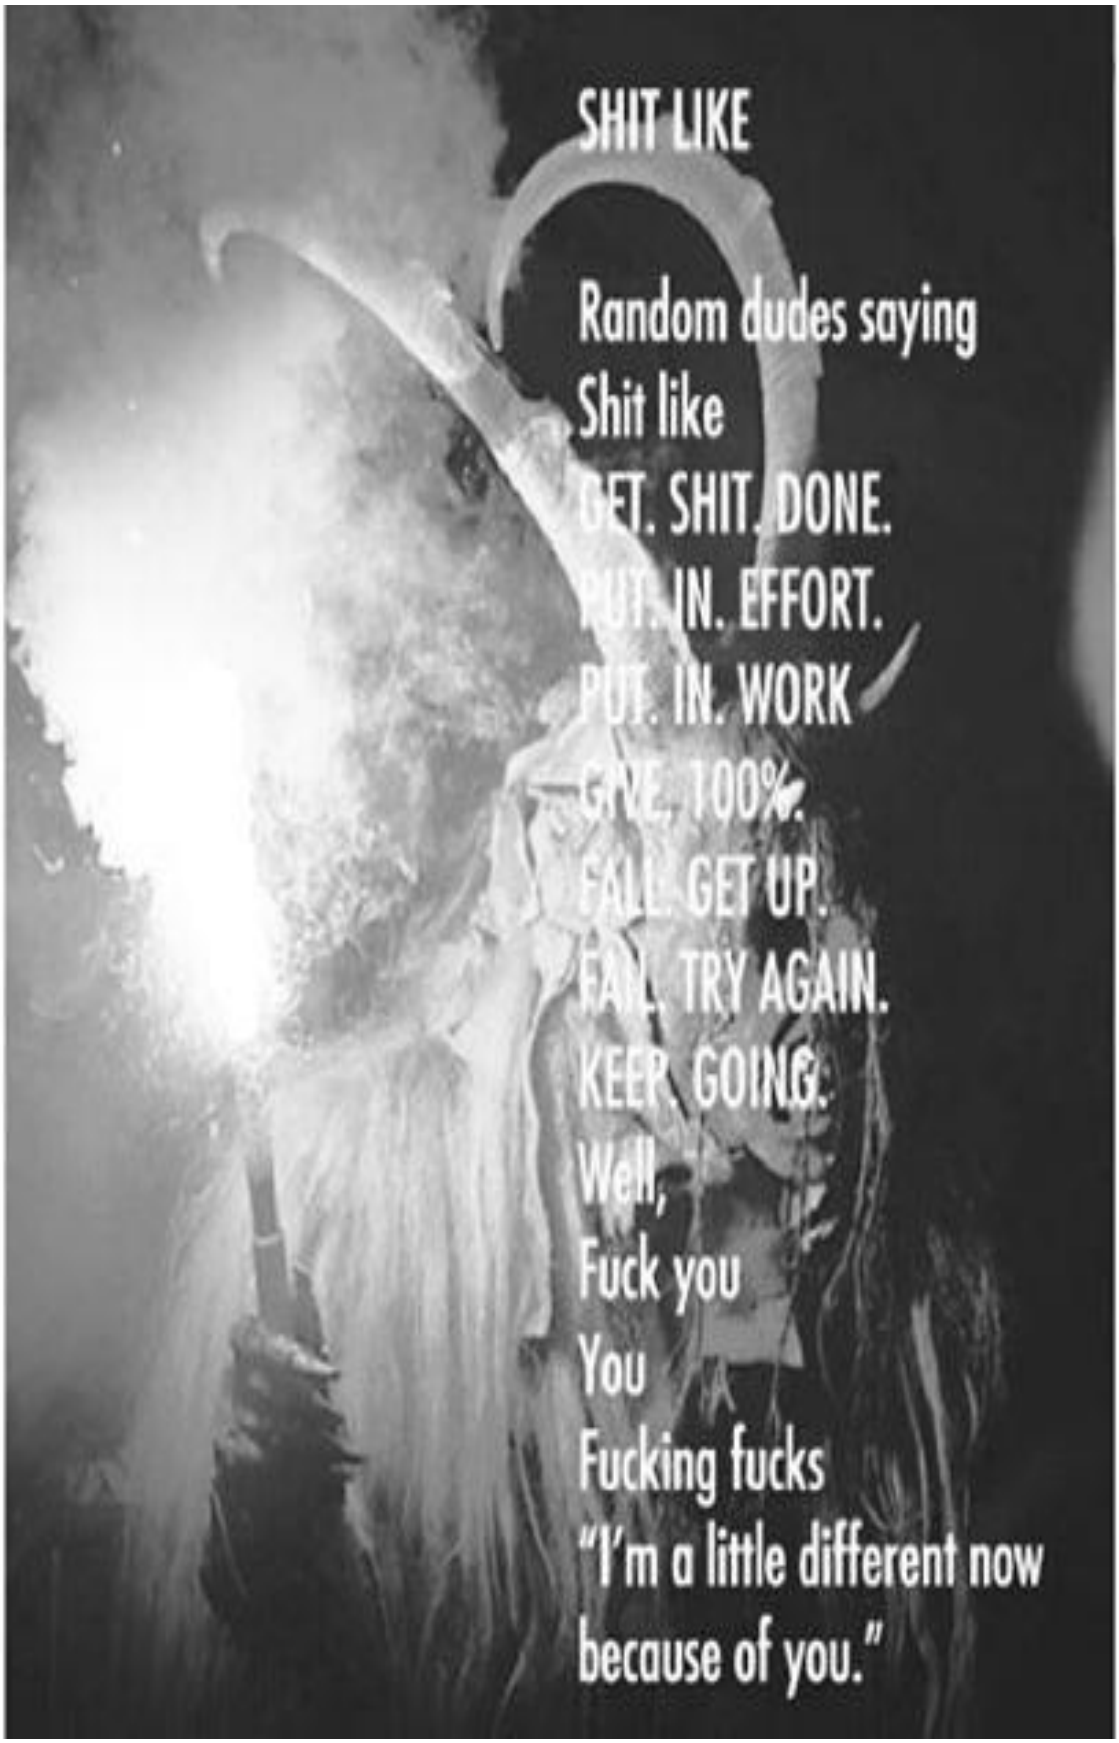

[NOTHING]

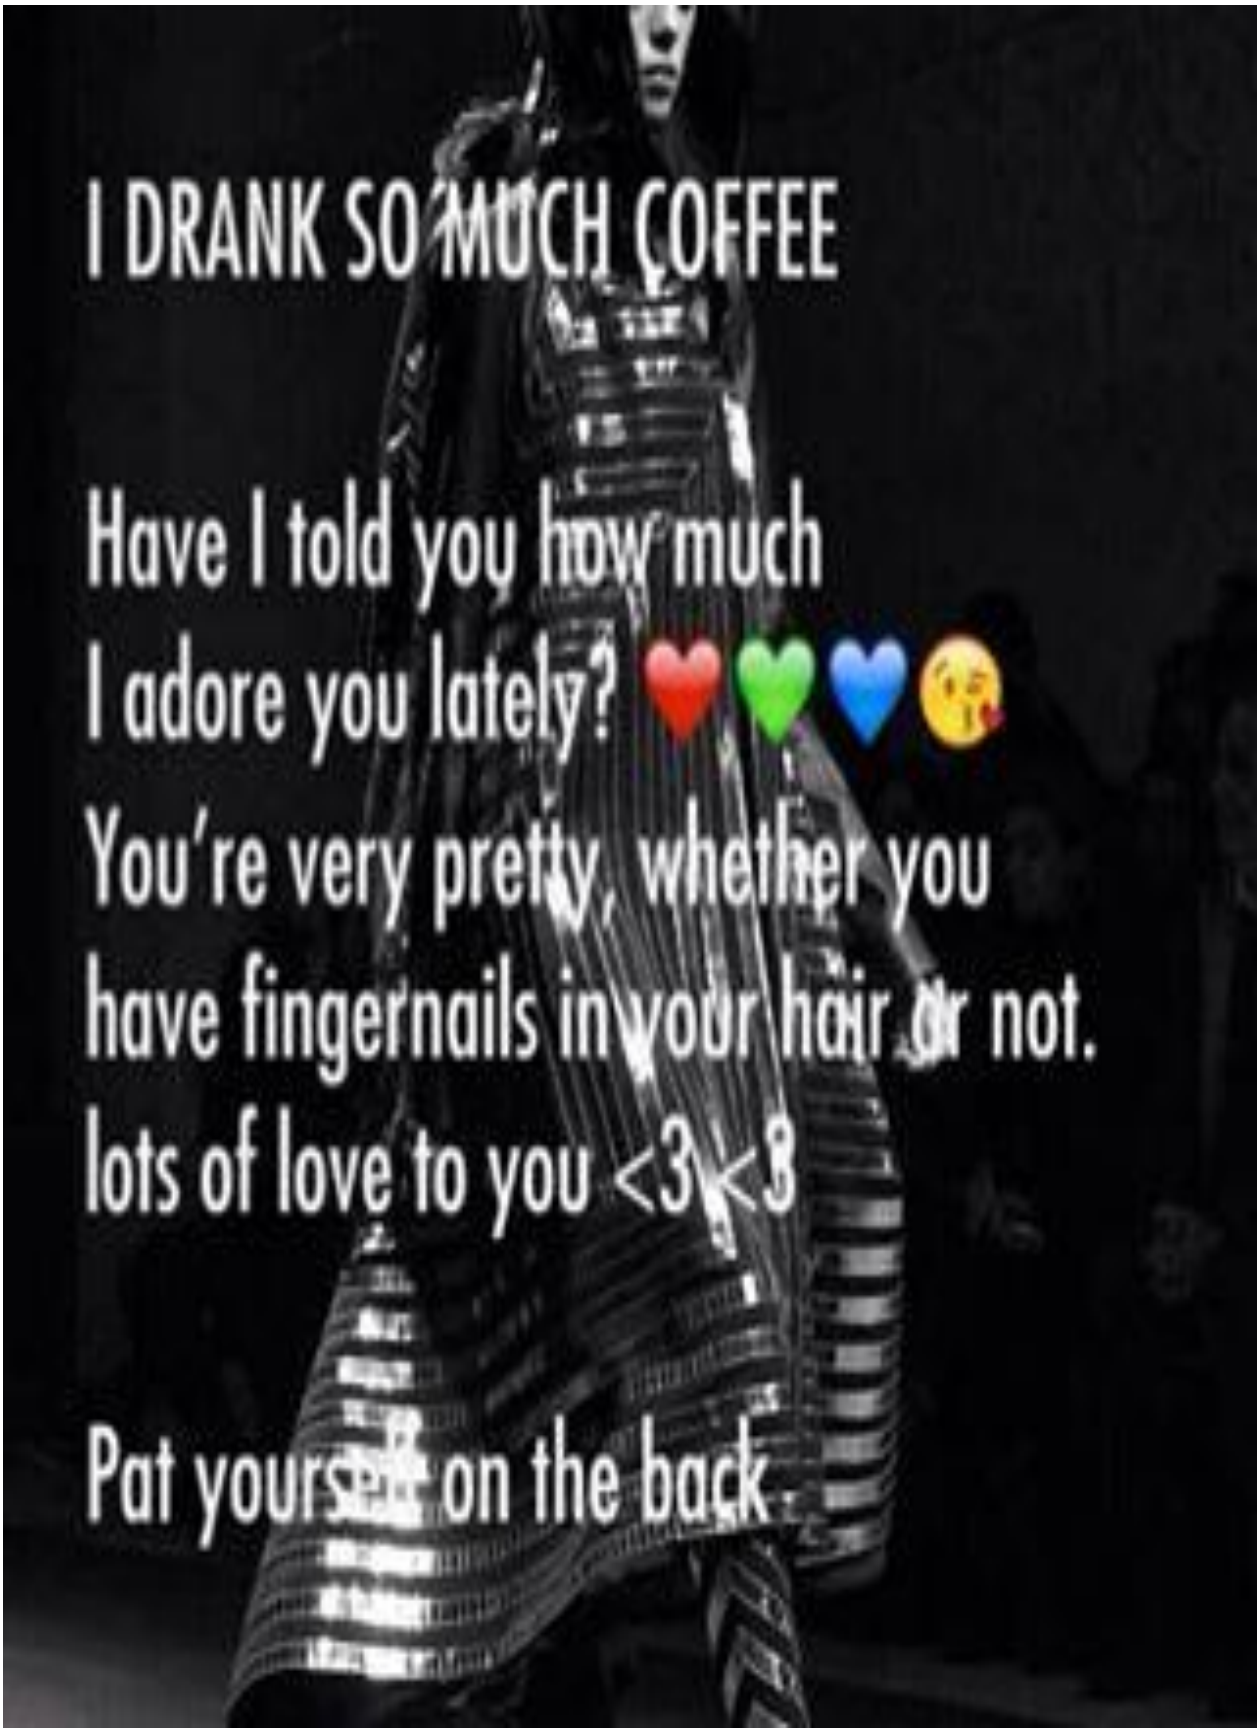

HYPER REALISM
everything
All of it at
The same time
Forever
OLDSKOOL WAYS

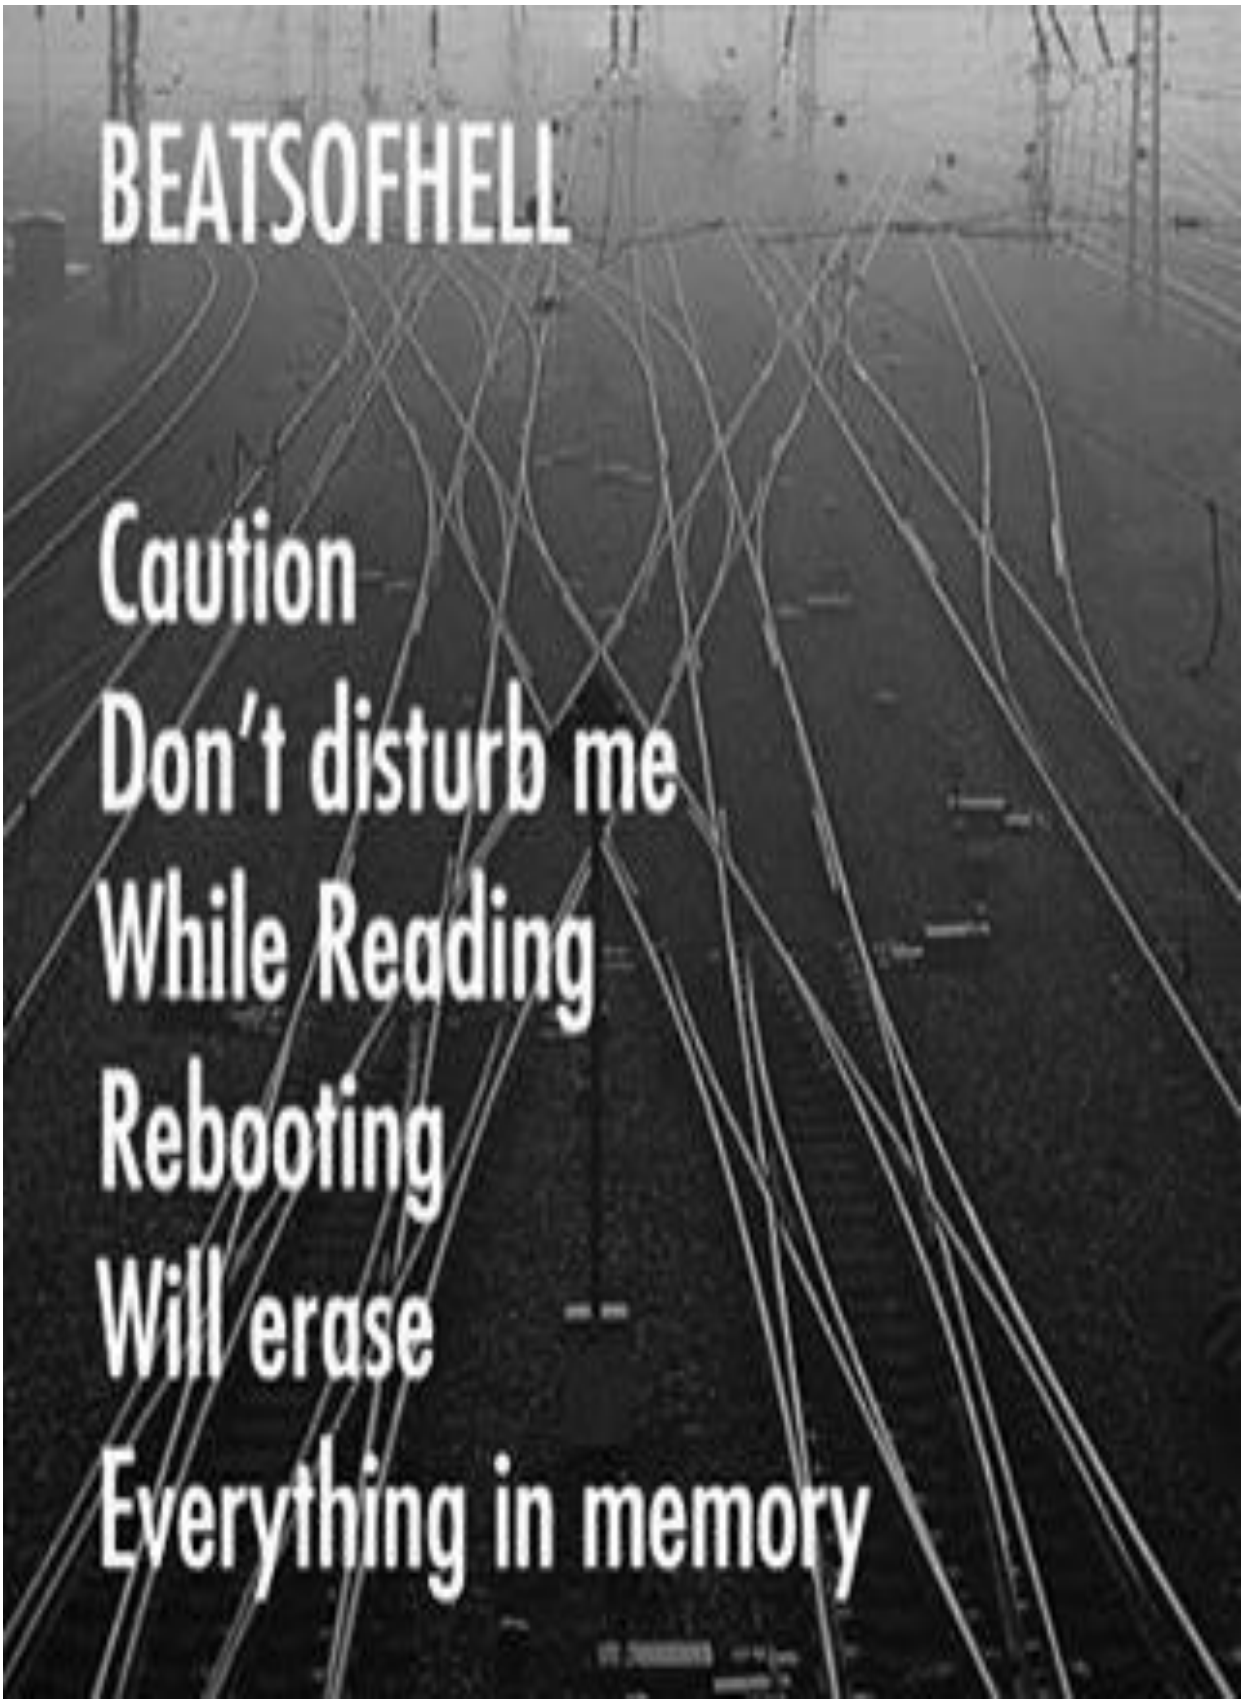

keep it a secret
I just wanted to say,
DON'T LEAVE THE HOUSE TODAY
Chronophobia
USED TO FIT SO WELL TOGETHER
WITH MY WOES
no offence but fuck everyone

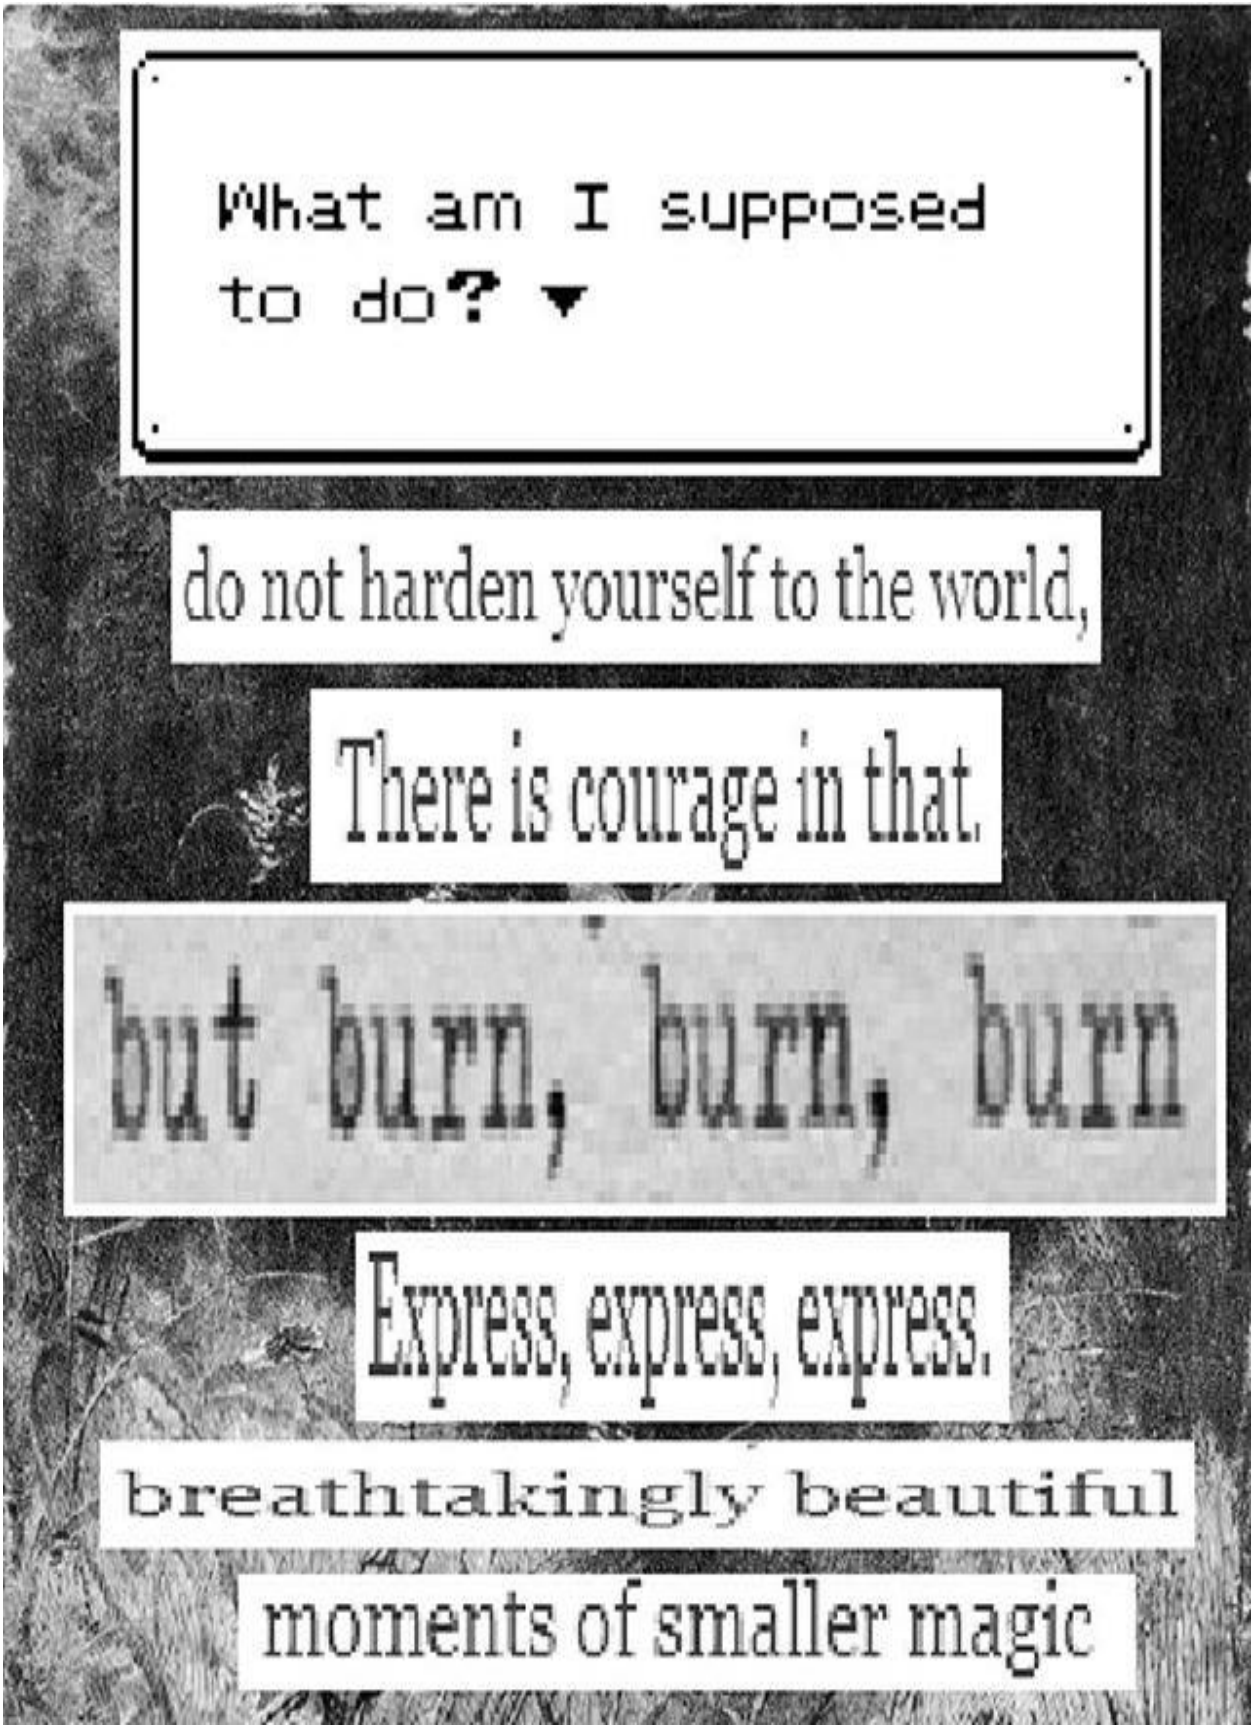

Manifesting Heaven on Earth:
I feel witchcraft upon me.
Using your thoughts to create the reality you want.
stop being cute
I HAVE FEELINGS, TOO!

I REST MY CASE
These
Internet Yodas will
Tell you this:
THE DEEPER YOU GO,
THE MORE REAL IT GETS
But guess what:
The coffee's not going to make itself,
Mothafockas

SHIT LIKE
Random dudes saying
Shit like
GET. SHIT. DONE.
PUT. IN. EFFORT.
PUT. IN. WORK
GIVE. 100%.
FALL. GET UP.
FAIL. TRY AGAIN.
KEEP. GOING.
Well,
Fuck you
You
Fucking fucks
"I'm a little different now
because of you."

I DRANK SO MUCH COFFEE
Have I told you how much
I adore you lately? ❤️💚💙😘
You're very pretty, whether you
have fingernails in your hair or not.
lots of love to you <3 <3
Pat yourself on the back.

BEATSOFHELL
Caution
Don't disturb me
While Reading
Rebooting
Will erase
Everything in memory

What am I supposed to do? ▼
do not harden yourself to the world,
There is courage in that.
but burn, burn, burn
Express, express, express.
breathtakingly beautiful
moments of smaller magic

EFFORTLESS SHIT

Thing you can't understand
Cause it's 3D but i
Took a picture of it so
Now it's all 2D or
Whatever
WHY can't i make stuff in
Other dimensions i

Today can eat a bunch of
Dicks, all the dicks,
Forever

STREET JUSTICE

Is a game?
'Cause it's Not

NO KIDDING
#therecomestrouble
something I've learned
About people if
They do it once... They'll
Do it again
Grindin' that grind
No KIDDING

MAJESTIC
When you absolutely,
positively,
got to kill
every motherfucker
in the room,
look good doing it.

WILD AND DANGEROUS WORLDS

Soft Spoken

have you ever been so wildly attracted to someone you can actually feel it driving you insane

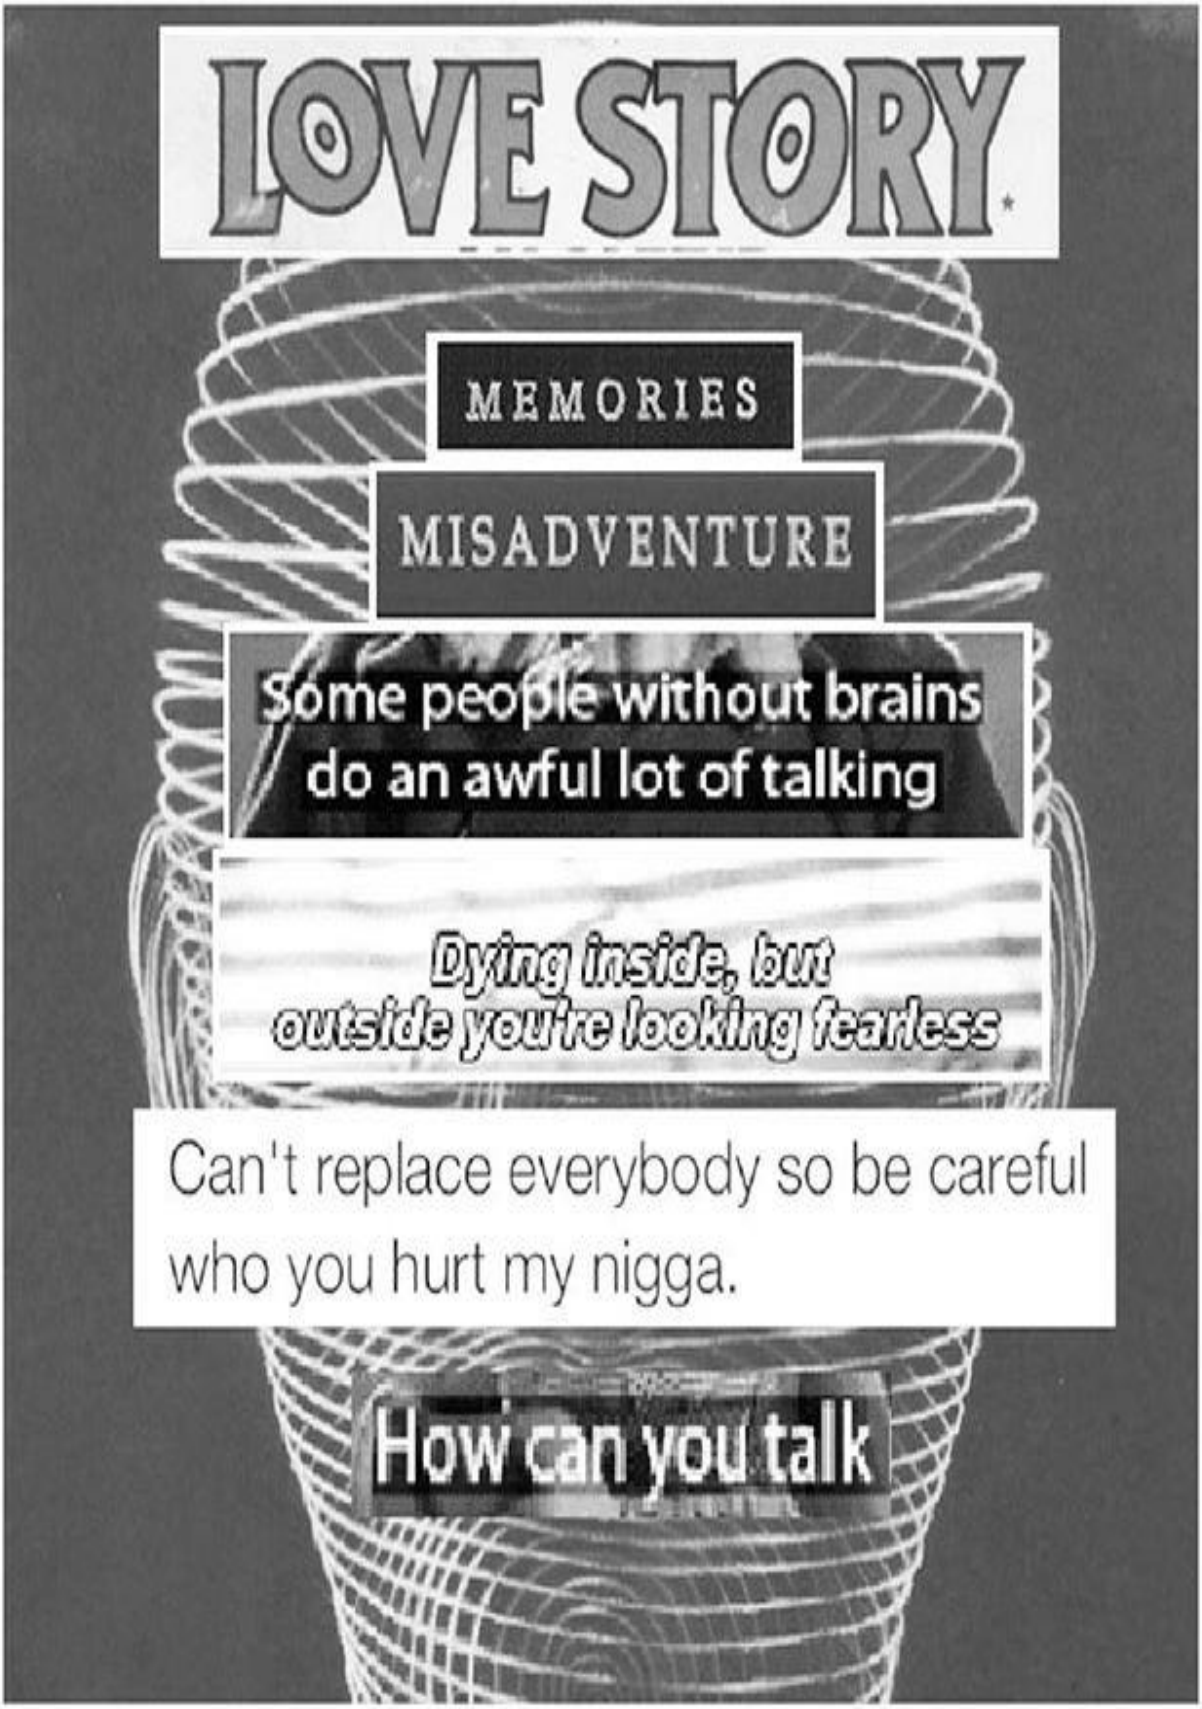

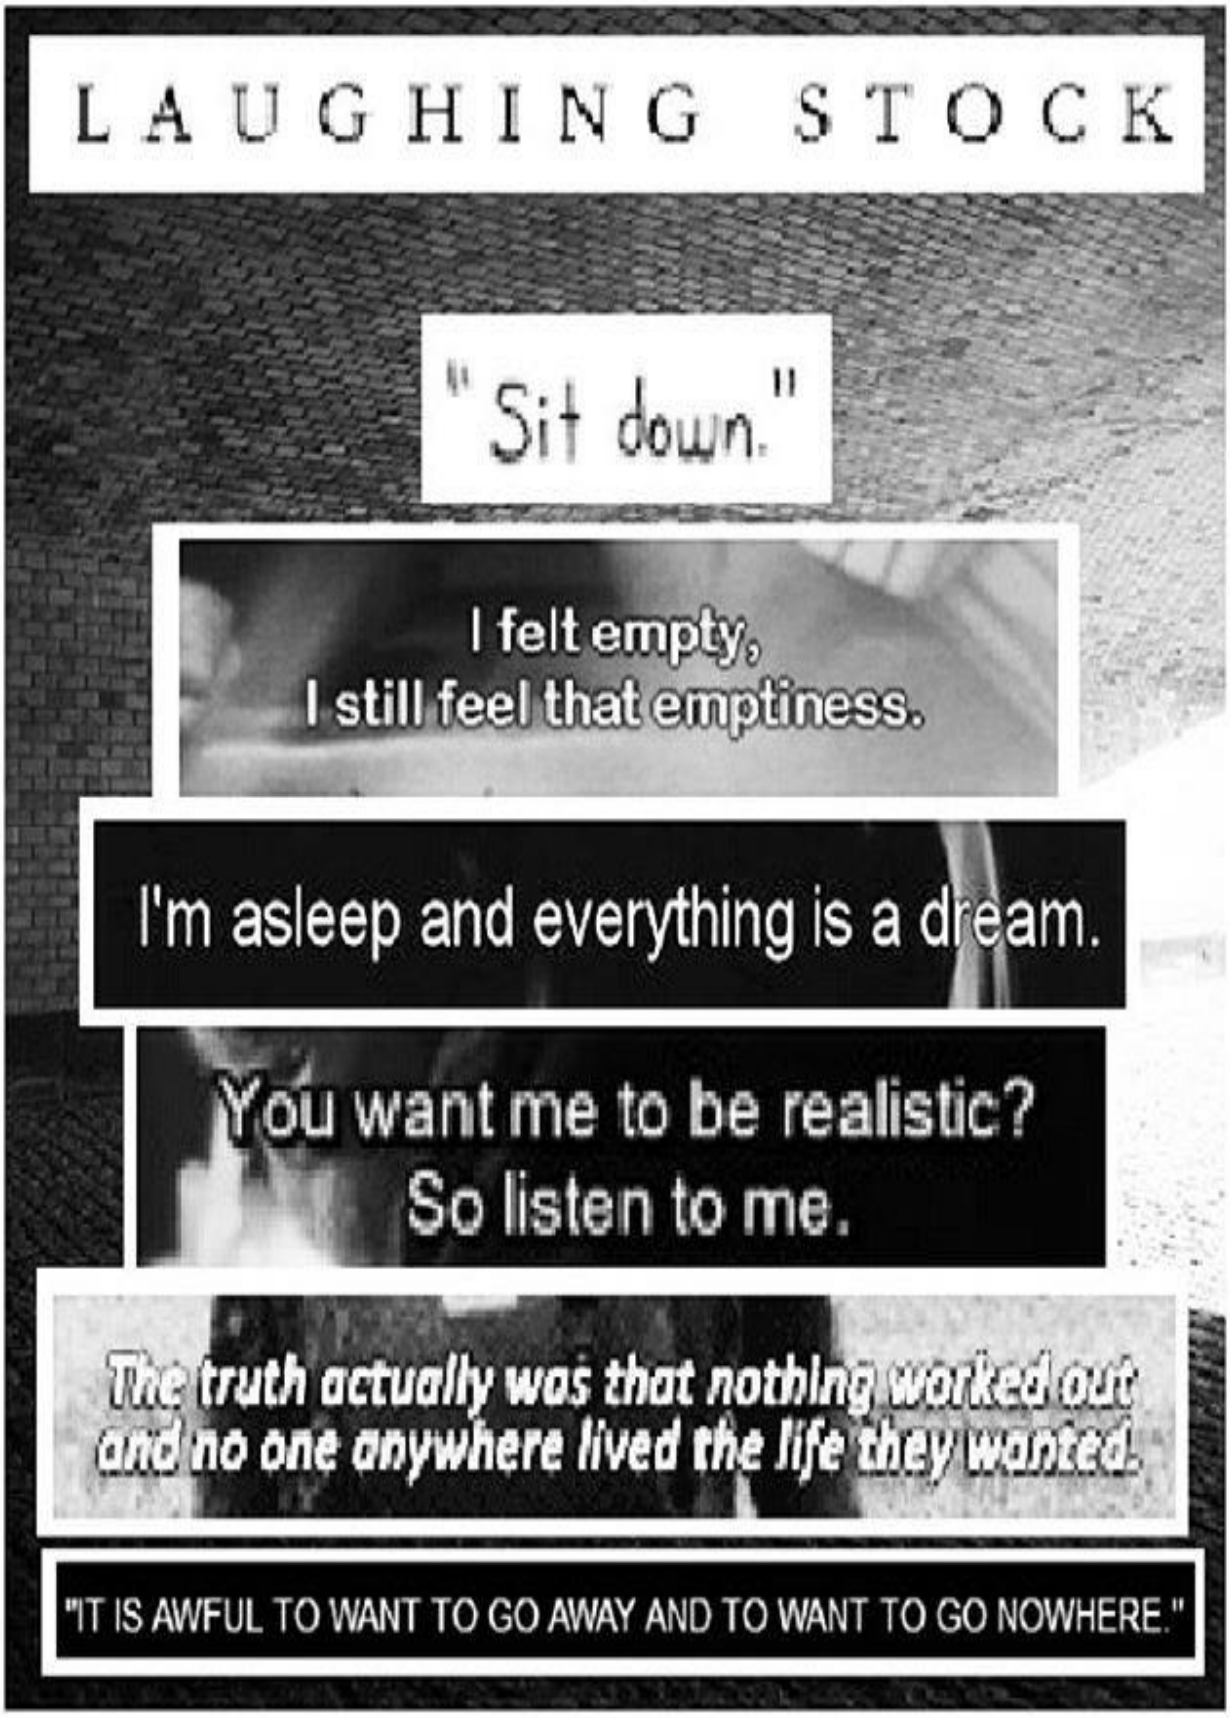

me: starts crying

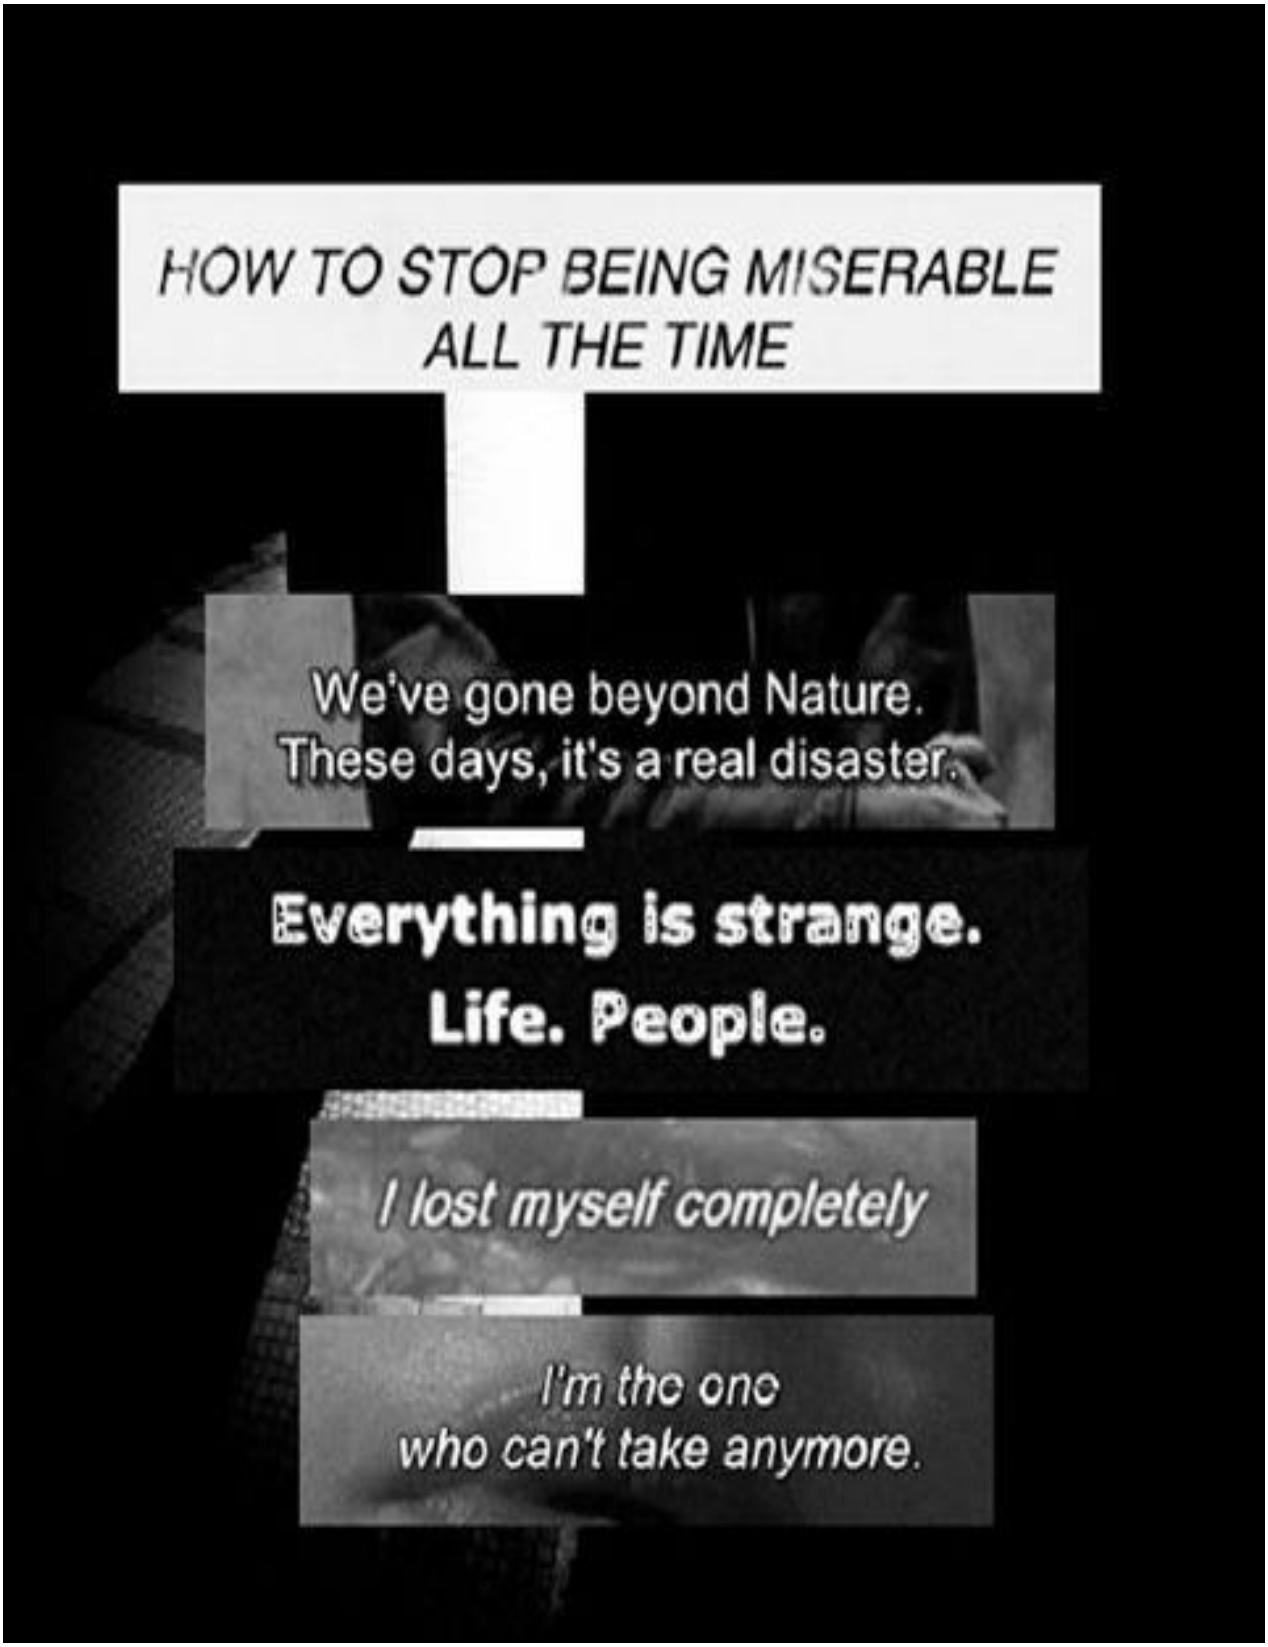

someone else: what's wrong

me: this is just something that happens

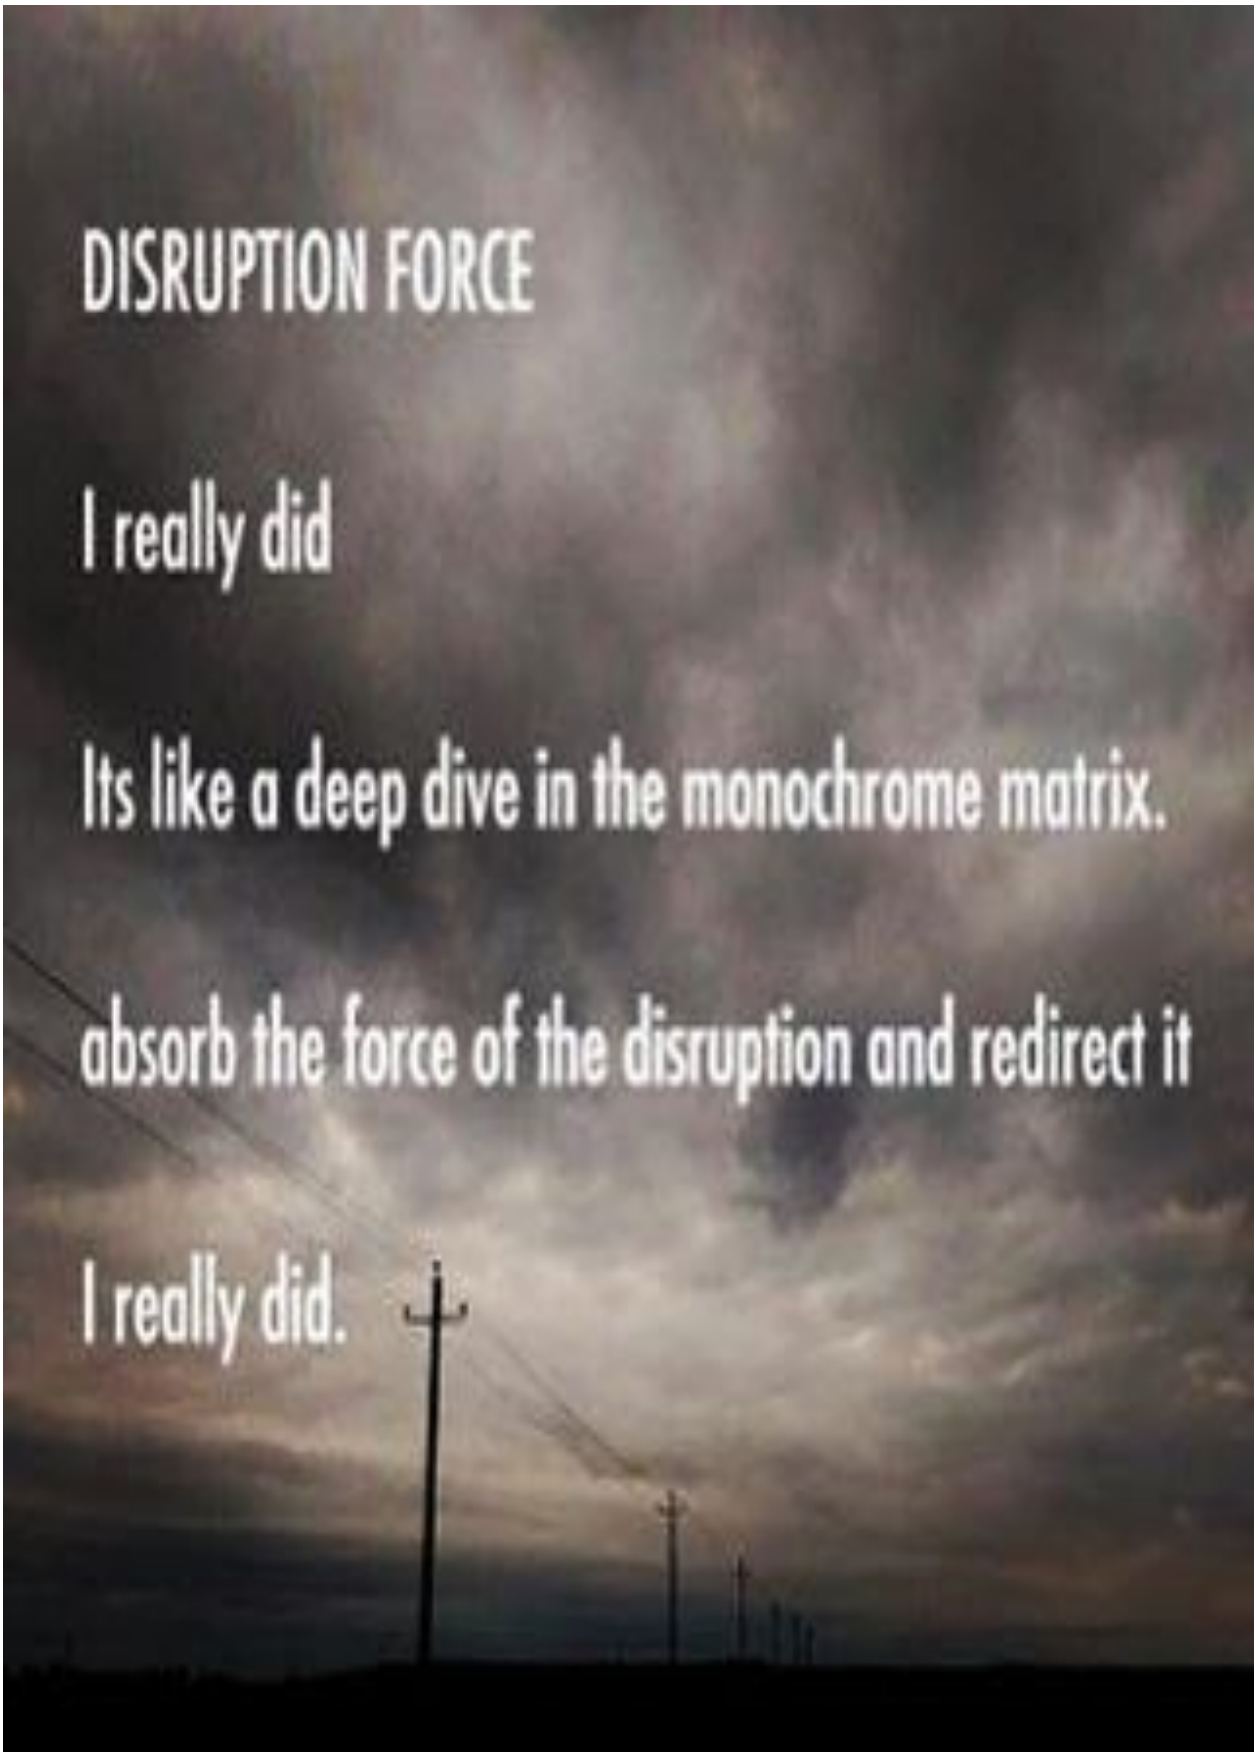

LOVE STORY
MEMORIES
MISADVENTURE
Some people without brains
do an awful lot of talking
Dying inside, but
outside you're looking fearless
Can't replace everybody so be careful
who you hurt my nigga.
How can you talk

LAUGHING STOCK
"Sit down."
I felt empty,
I still feel that emptiness.
I'm asleep and everything is a dream.
You want me to be realistic?
So listen to me.
The truth actually was that nothing worked out
and no one anywhere lived the life they wanted.
"IT IS AWFUL TO WANT TO GO AWAY AND TO WANT TO GO NOWHERE."

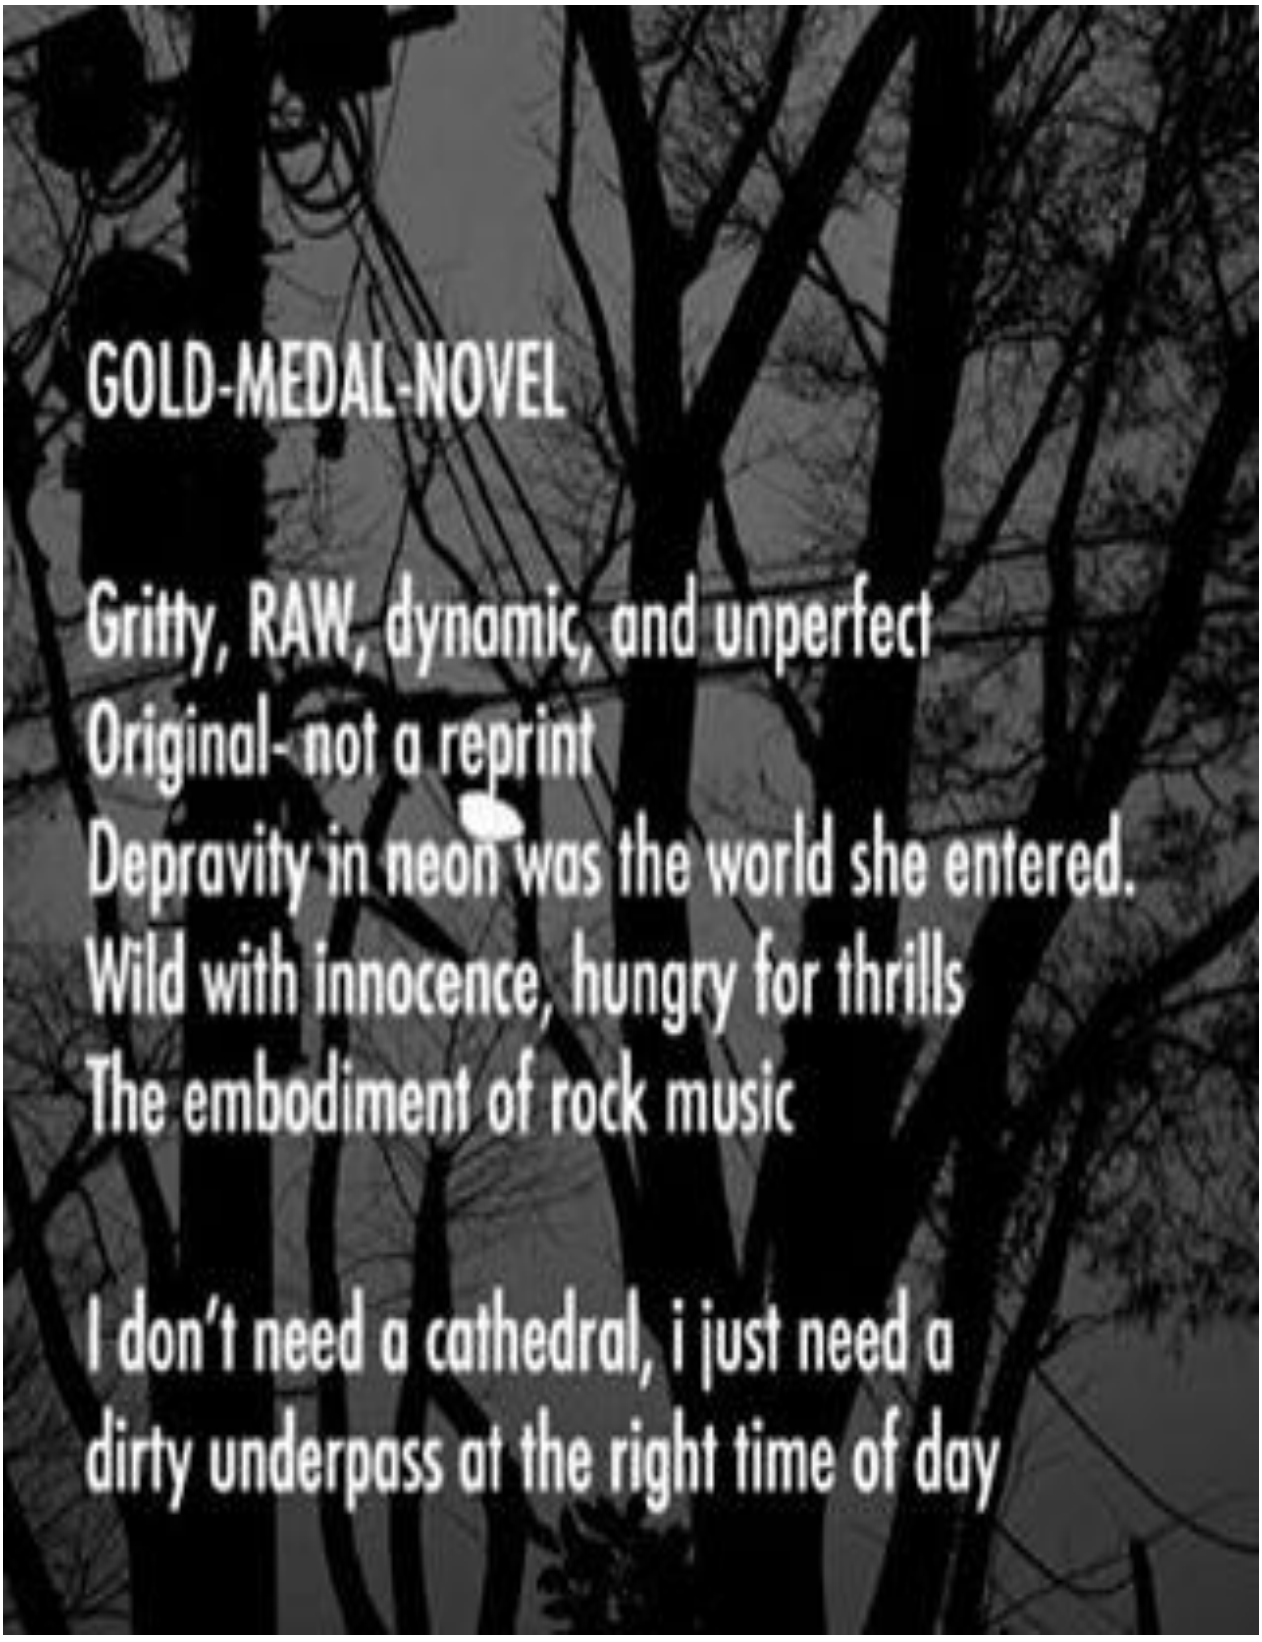

HOW TO STOP BEING MISERABLE ALL THE TIME
We've gone beyond Nature. These days, it's a real disaster.
Everything is strange. Life. People.
I lost myself completely
I'm the one who can't take anymore.

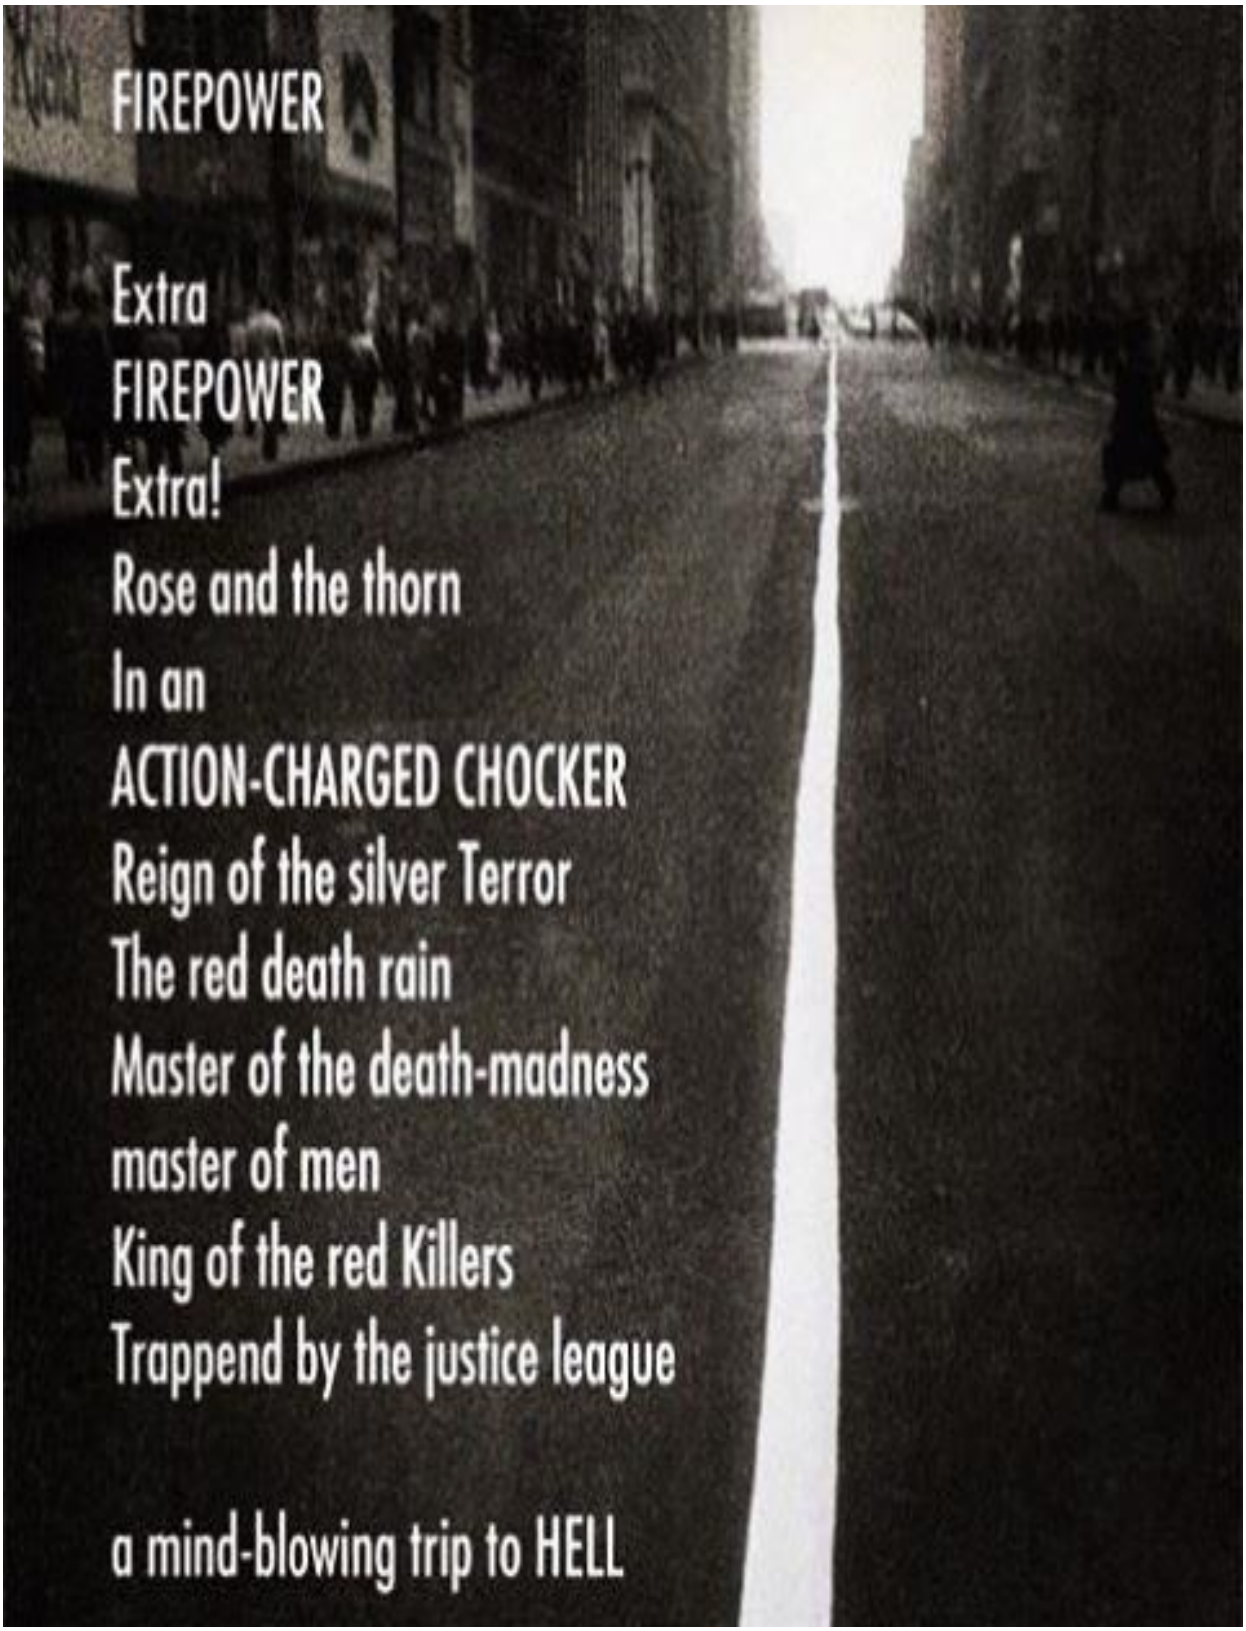

WHO'S PERFECT?
After being frozen for thousands of years in a Siberian riverbed,
beat it with a fucking broom beat it into the fucking ground die die die
do whatever the hell it takes to make u feel real again

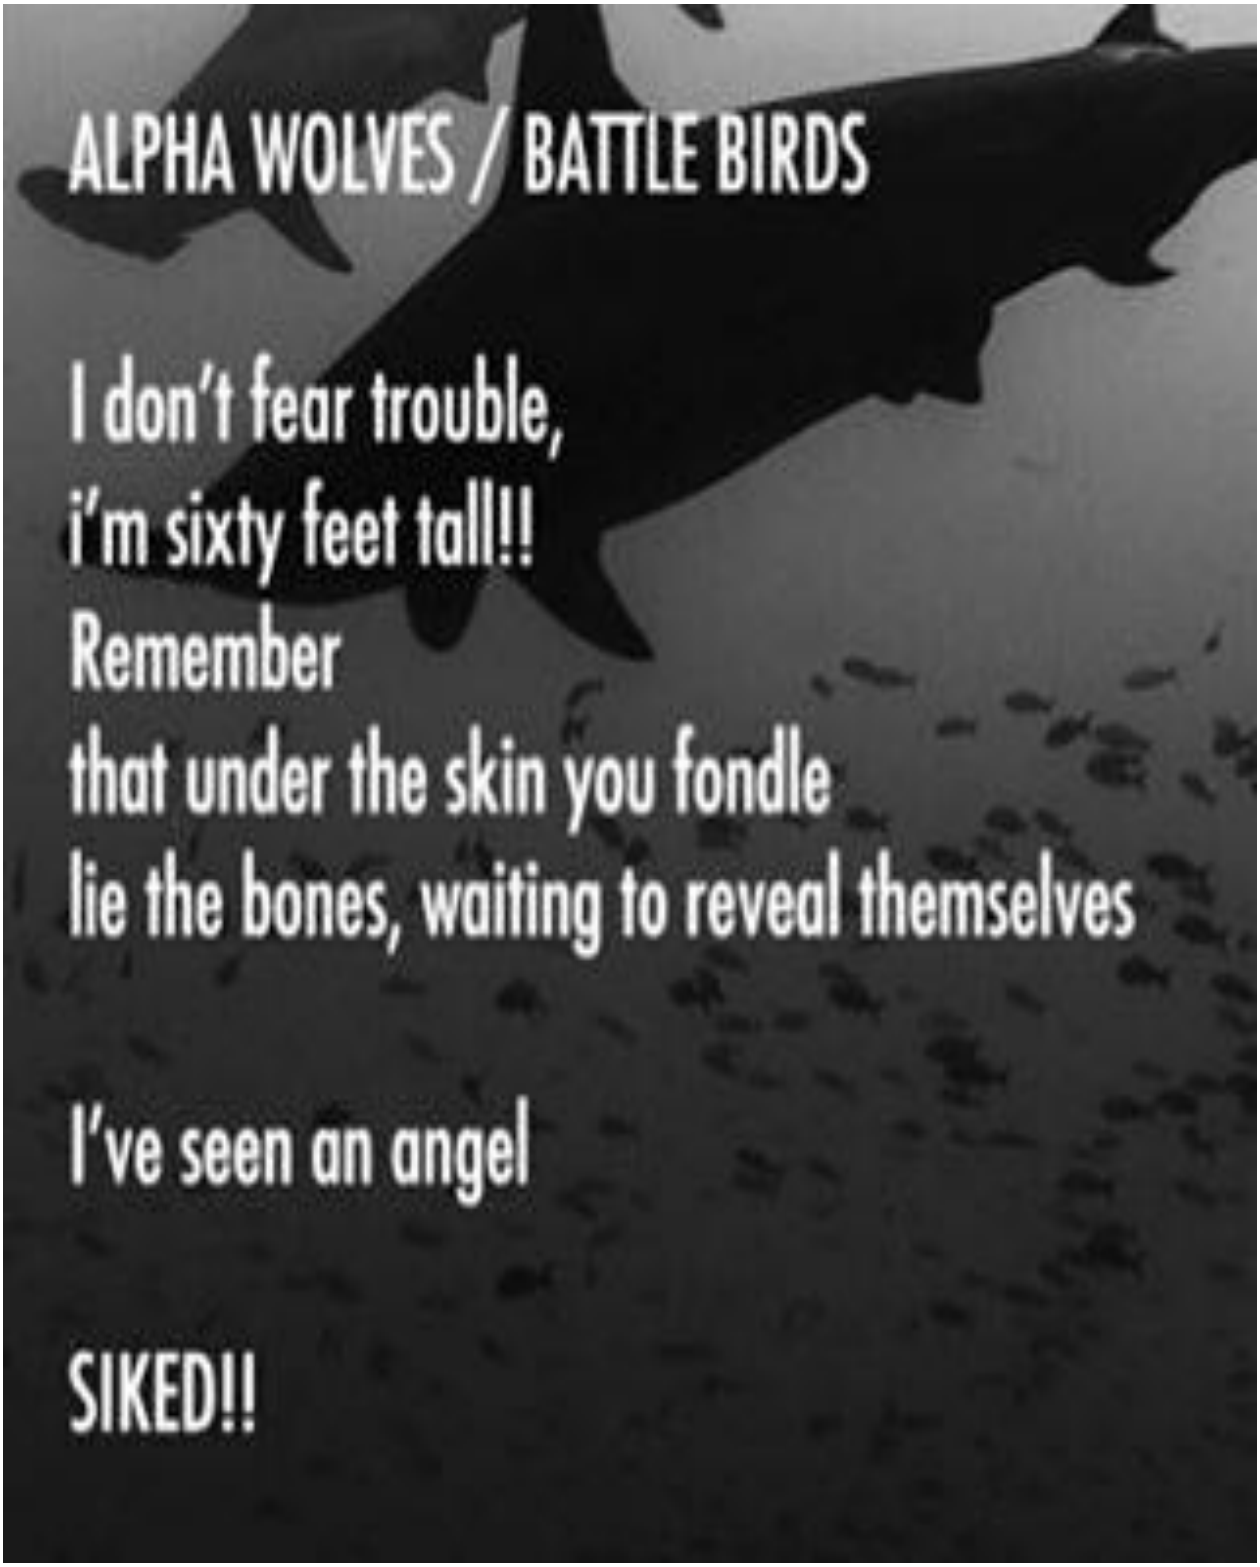

DISRUPTION FORCE
I really did
Its like a deep dive in the monochrome matrix.
absorb the force of the disruption and redirect it
I really did.

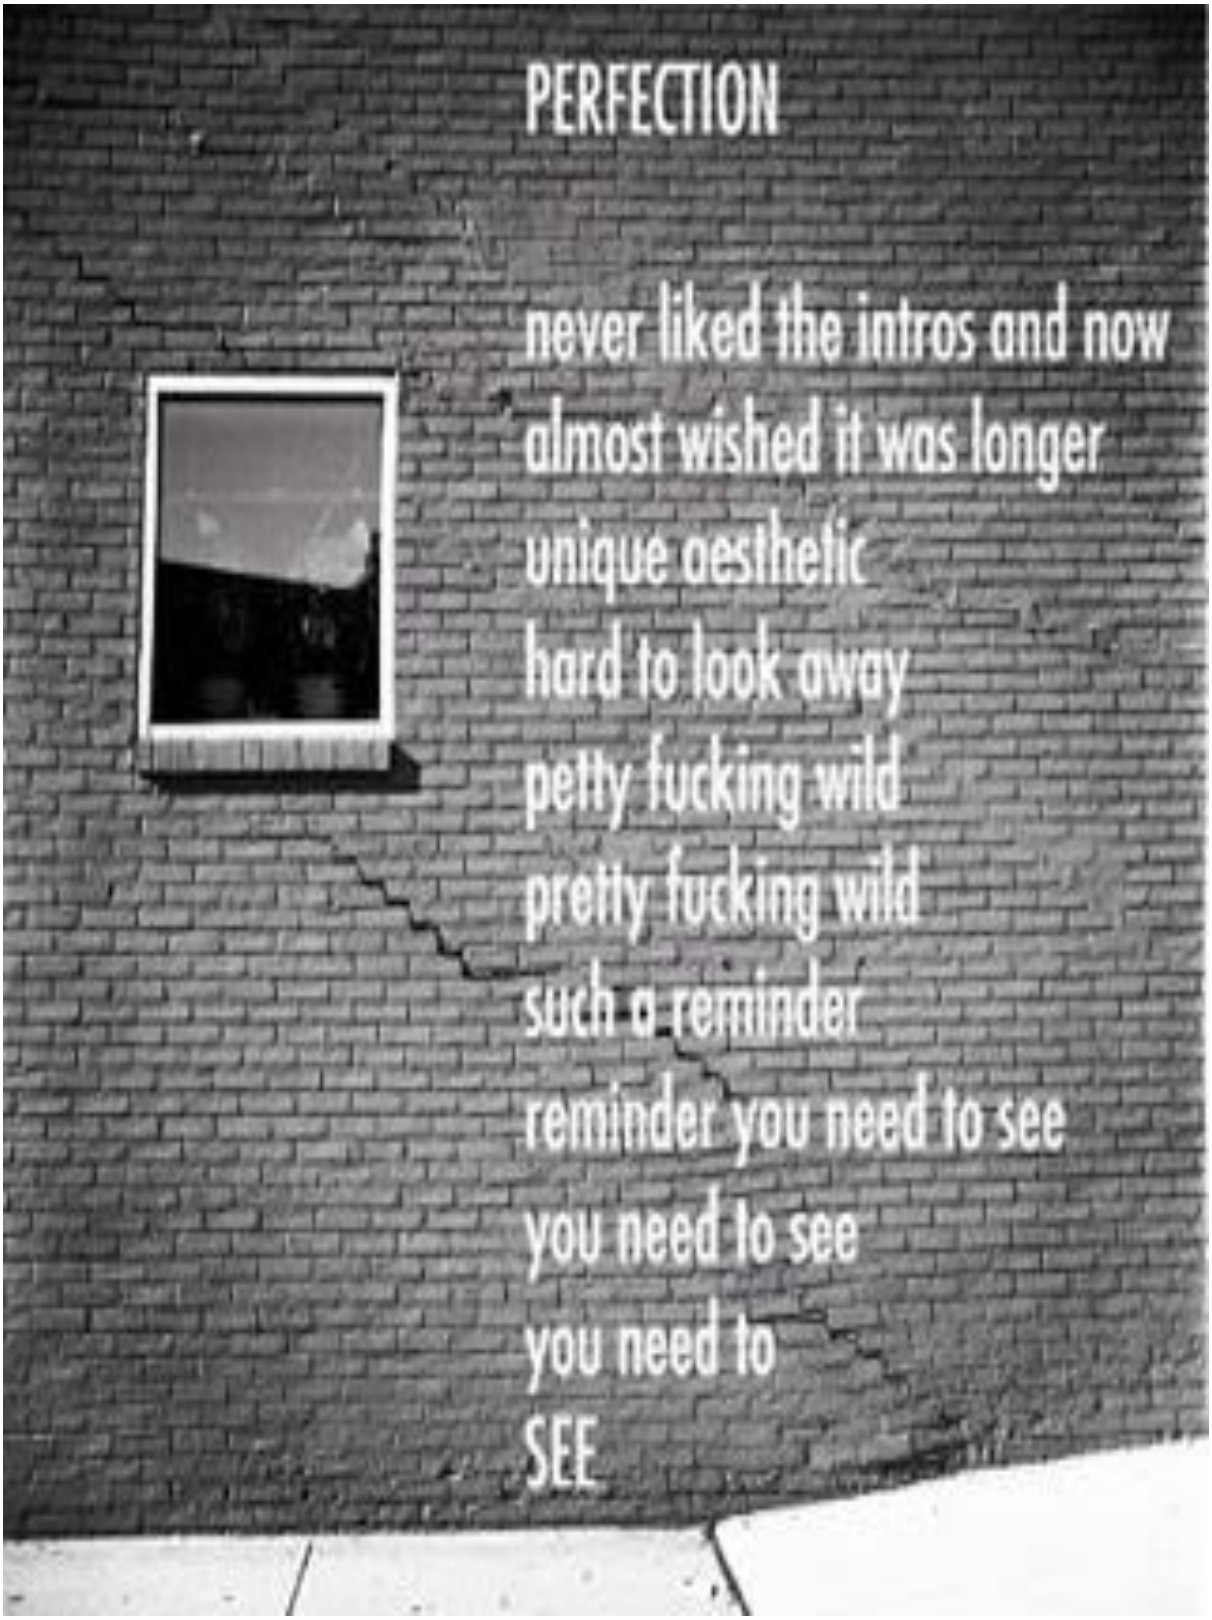

BUTTERFLY KNIFE

GOLD-MEDAL-NOVEL
Gritty, RAW, dynamic, and unperfect
Original- not a reprint
Depravity in neon was the world she entered.
Wild with innocence, hungry for thrills
The embodiment of rock music
I don't need a cathedral, i just need a
dirty underpass at the right time of day

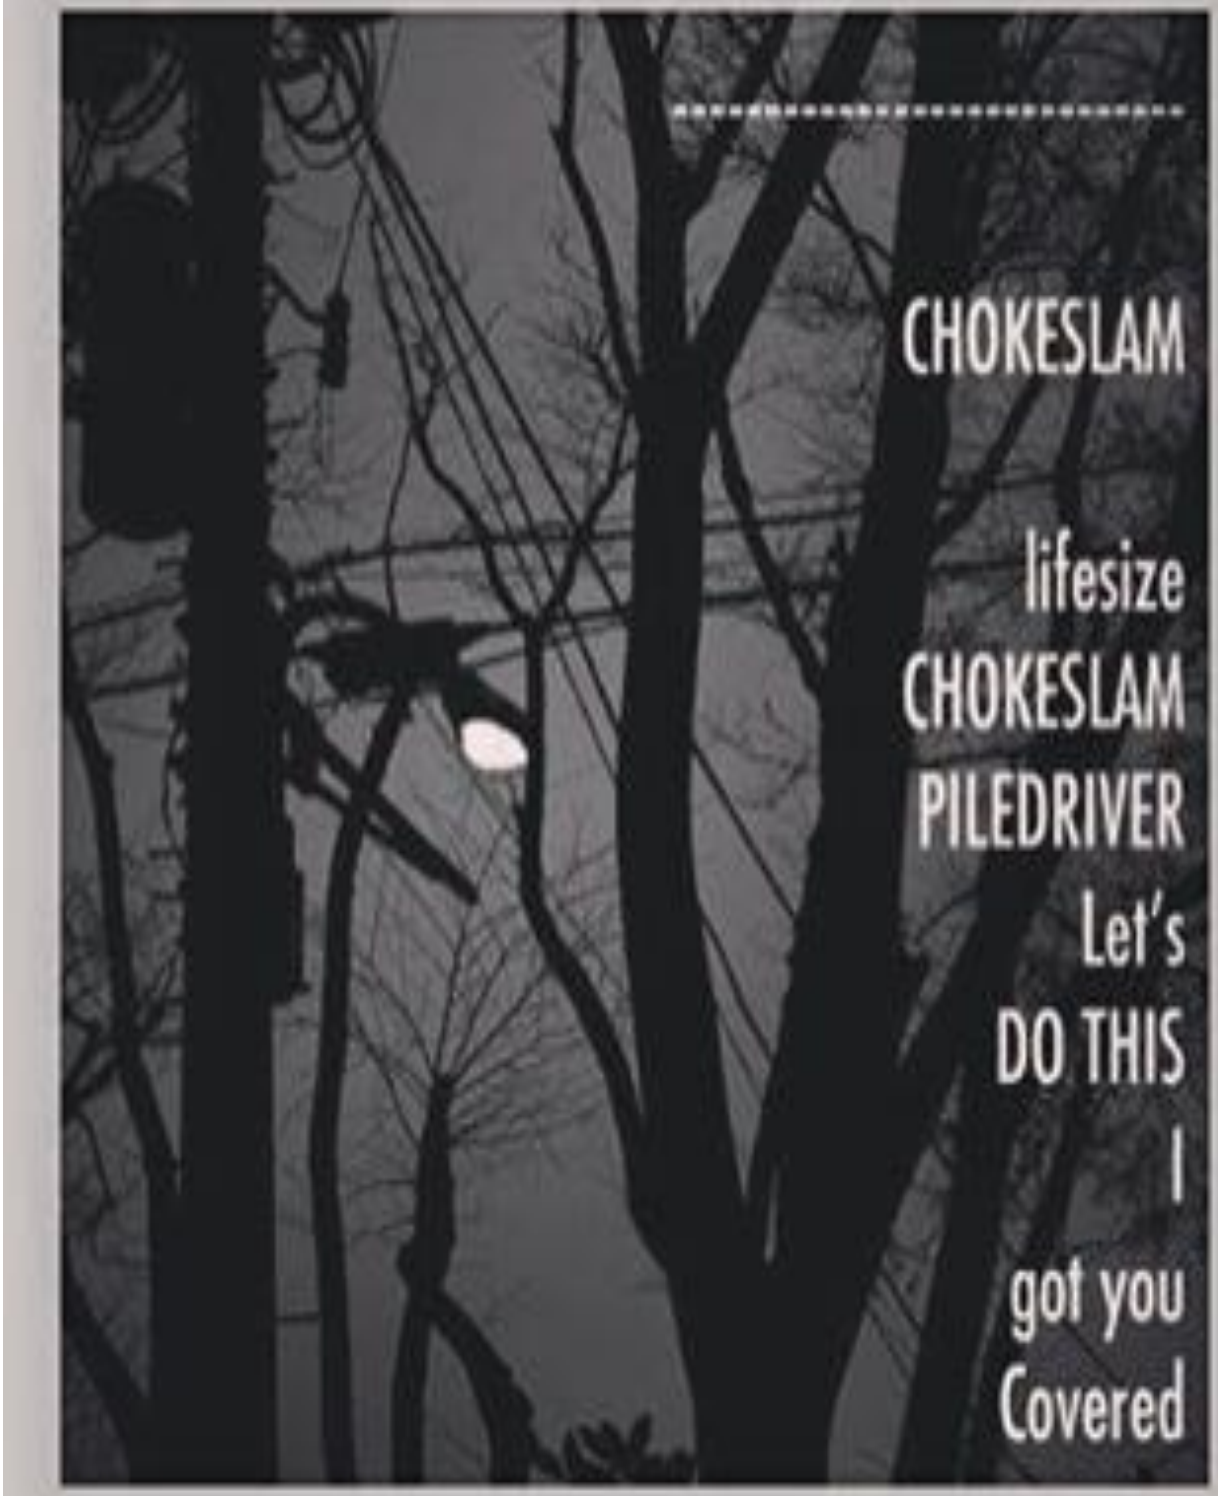

FIREPOWER
Extra
FIREPOWER
Extra!
Rose and the thorn
In an
ACTION-CHARGED CHOCKER
Reign of the silver Terror
The red death rain
Master of the death-madness
master of men
King of the red Killers
Trappend by the justice league
a mind-blowing trip to HELL

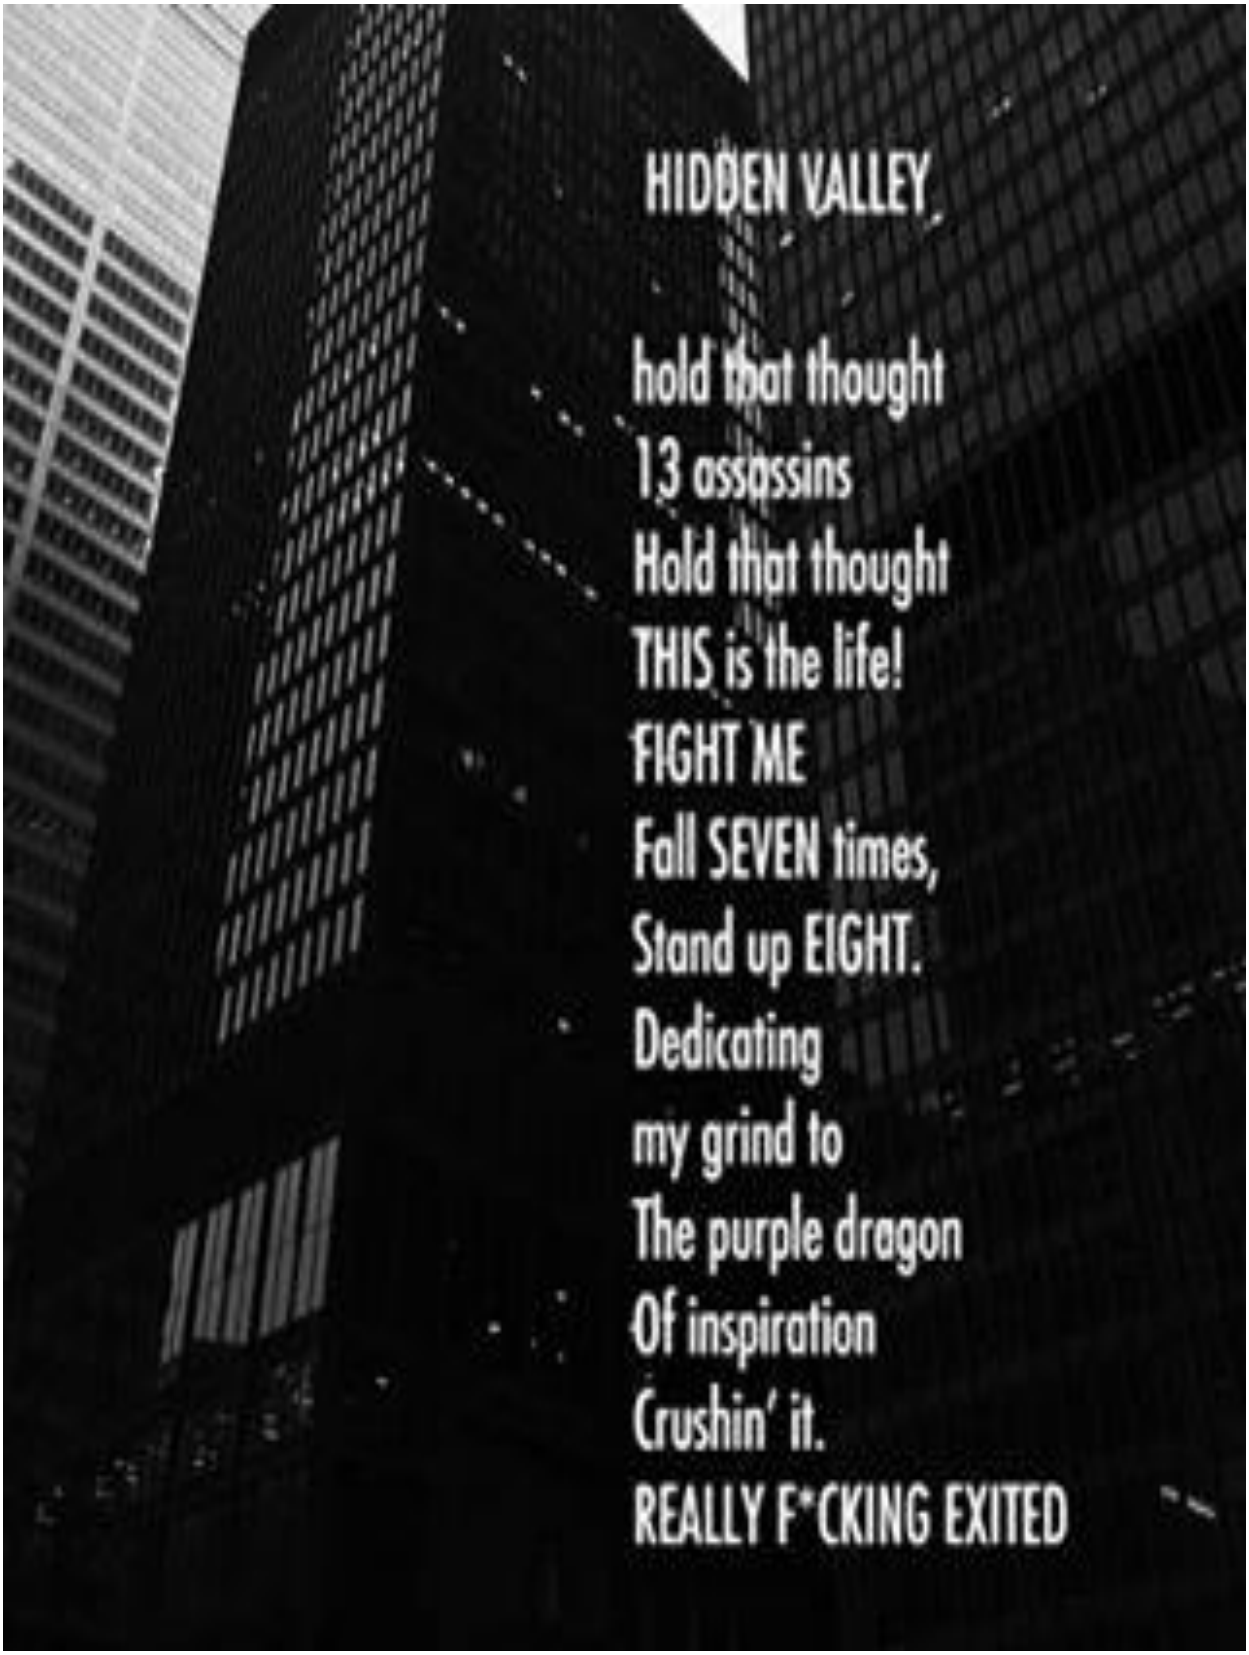

ALPHA WOLVES / BATTLE BIRDS
I don't fear trouble,
i'm sixty feet tall!!
Remember
that under the skin you fondle
lie the bones, waiting to reveal themselves
I've seen an angel
SIKED!!

PERFECTION
never liked the intros and now
almost wished it was longer
unique aesthetic
hard to look away
petty fucking wild
pretty fucking wild
such a reminder
reminder you need to see
you need to see
you need to
SEE
